The Expatriates Janice Y. K. Lee, 2016-01-12 Set in present day Hong Kong THE EXPATRIATES follows the lives of three women An unspeakable tragedy leaves twenty something Mercy with a crippling personal inertia and Margaret a mother of three numb and unable to heal In the same small expatriate community Hilary tries to distract herself from a marriage gone stale by providing piano lessons for a local orphan only to find her actions openly criticized on an anonymous online forum The individual sometimes overlapping perspectives of Mercy Margaret and Hilary are woven together exposing the insularity and complex privilege of the expatriate world whilst also revealing the fragility of a woman s position in the world When the women are struck by tragedy each of them realizes how shockingly dependent they were upon conforming to the unspoken rules of their milieu In Hong Kong without speaking Cantonese or having a job it is almost always the husband who precipitates the move these women find themselves almost unexpectedly stripped of their former identities and living in a land of country clubs and housemaids Without their familiar ties to family friends and jobs they find themselves in a world where the old rules no longer apply THE EXPATRIATES is a novel about overpowering grief the transformative power of forgiveness and how finding oneself in a strange land can be the best way to find one s true self [The Expatriates](#) Janice Y.
