cliffhanger Peyton Stratford is her family's unofficial keeper of all things secret from the petty and mundane to the potentially life changing. But Peyton is keeping a secret of her own. And it's a doozy. Pastor Brice Northam is used to hearing secrets. After all, it's part of his job description. But he's about to hear one that's going to challenge him almost as much as his feelings for the person confessing. Peyton needs some serious help from Brice, but how much does she dare tell him? And what exactly is Brice hiding from Peyton and himself? Clearly, they both have some serious soul searching to do. But maybe just maybe the answer to secrets isn't silence. Or more secrets. Maybe it's love. Note: While the *Secret Keeper* series does feature some characters who are Christian, the hero is a pastor, so that's a dead giveaway. It is not a Christian romance in the traditional sense, and some characters find themselves in adult situations and using strong language. Not that the pastor approves. But he's fallen in love with a complex modern woman whose life is anything but predictable. If you think you could, too, then dive in. Bring your sense of humor and your compassion, and then hold on for the emotional ride of your life. Chick lit, romantic comedy, rom-com, humorous love story, second chance. ***The Secret Keeper*** Elizabeth Carroll, 2009. Wil Johnson is a typical teenager whose strong belief in all things magical is born out of the sorrow in his life. While still mourning the loss of his father, Wil meets Cassia, a mystical being from the realm of clouds whom only he can see and hear. ***Secret Keeper***, 2013. ***The Secret Keeper*** Anna Grossnickle Hines, 1990. Unhappy to be the only one in his house without Christmas secrets, Joshua is relieved when Grandma comes and helps him have some secrets of his own. ***The Secret Keepers*** Trenton Lee Stewart, 2017-02-02. When Reuben discovers an old pocket watch, he soon realizes it holds an incredible power: it can turn you invisible for fifteen minutes. And the watch's power is even more extraordinary than he knows. Soon he's on the run from a despot determined to possess it for himself. ***The Secret Keeper*** Martha Carr, Michael Anderle, 2024-12-20.

Secret Keeper Gloria Whelan, 1990-01. While working at a summer resort, 16-year-old Annie is drawn into a sinister conspiracy to conceal two not-so-accidental deaths. *The Secret Keeper* Susan Lewis, 2019-04-23. FROM THE SUNDAY TIMES BESTSELLING AUTHOR OF HOME TRUTHS AND ONE MINUTE LATER. You never forget your first love. 18 years ago, Olivia learned to live without Sean Kenyon. She moved on, building a life with her husband Richmond and their two children in the picturesque town of Kesterley on Sea. But when Sean unexpectedly appears on Olivia's doorstep, her world is turned upside down once more. As old feelings resurface and new truths come to light, Olivia finds herself questioning everything. Is her husband really the person she thought he was? The past and present collide, and Olivia must uncover the truth before it's too late. But if everyone is keeping secrets, how will she know who to trust? ***The Secret Keeper*** Bryan Maldonado, 2008.

Legal Secrets Kim Lane Scheppelle, 1988. Does the seller of a house have to tell the buyer that the water is turned off twelve hours a day? Does the buyer of a great quantity of tobacco have to inform the seller that the military blockade of the local port, which had depressed tobacco sales and lowered prices, is about to end? Courts say yes in the first case, no in the second. How can we understand the difference in judgments? And what does it say about whether the psychiatrist should

disclose to his patient's girlfriend that the patient wants to kill her Kim Lane Scheppelle answers the question Which secrets are legal secrets and what makes them so She challenges the economic theory of law which argues that judges decide cases in ways that maximize efficiency and she shows that judges use equality as an important principle in their decisions In the course of thinking about secrets Scheppelle also explores broader questions about judicial reasoning how judges find meaning in legal texts and how they infuse every fact summary with the values of their legal culture Finally the specific insights about secrecy are shown to be consistent with a general moral theory of law that indicates what the content of law should be if the law is to be legitimate a theory that sees legal justification as the opportunity to attract consent This is more than a book about secrets It is also a book about the limits of an economic view of law Ultimately it is a work in constructive legal theory one that draws on moral philosophy sociology economics and political theory to develop a new view of legal interpretation and legal morality
