

THE EXECUTIONERS

Over eight solar decades into their century-long persistent crusade and having battled relentlessly across vast swathes of the Imperium and beyond, the Executioners Chapter came upon the ruins of the Orpheus Sector. Discovering a realm decimated by war, the Executioners vowed that their death quest will be completed upon the battlefields of Orpheus. Following the meagre victories and catastrophic losses of the Orpheus War, the High Lords of Terra promulgate the Orpheus Decree. For all intent and purposes the Orpheus Sector is no more. The neighbouring Eurydice Sector becomes the new frontline and outer border of the Imperium of Mankind, its worlds and armies fortifying in case the Necrons intend to follow the retreating Imperials. As the indomitable crusade reaches its end and the many primaris chapters make their way to regroup with their first born counterparts, the Primaris Executioners Astartes led by Warlord Kyran Vorn now set a course for the Orpheus sector where they are told it is most likely they will find their first born battle brothers.
