Twelftree, 2011-07-11 That the synoptic writers believed that Jesus cast out demons and that such a role figured prominently in the Synoptics portrait of him can scarcely be denied And yet only scant scholarly attention has been focused on Jesus role

as exorcist Even less consideration has been given to the significance of Jesus as exorcist for understanding the historical Jesus Now in a provocative and insightful study Graham Twelftree helps New Testament scholars move beyond such myopia Twelftree examines exorcists and exorcism in first century Palestine assesses the New Testament accounts of demons and their demise and explores the implications and significance of the fact that Jesus was indeed an exorcist The volume appeared originally in the noted German series Wissenschaftliche Untersuchungen zum Neuen Testament [The Exorcist](#) Mark Kermod,1997 No Marketing Blurb

Catholic Horror and Rhetorical Dialectics Gavin F. Hurley,2024-06-15 Identifying an important subgenre of horror literature this book argues that Catholic horror fiction works distinctively to inspire the philosophical theological and spiritual imaginations of readers from all backgrounds and faith traditions Hurley analyzes four novels that are foundational to the genre of Catholic horror J K Huysmans s L Bas 1891 Robert Hugh Benson s The Light Invisible 1903 and A Mirror of Shalott 1907 and William Peter Blatty s The Exorcist 1971 Putting these texts in conversation with the classical liberal arts the book shows how Catholic horror fiction coheres in a commitment to dialectical thinking that aims both to resolve and to accommodate contrasting world views Given its use of this methodology Catholic horror literature is uniquely positioned to draw readers into a contemplative mindset In presenting ghost stories tales of possession and narratives about evil Catholic horror invites audiences to confront and reflect on profound existential questions questions about the line between life and death the nature of being and the meaning of reality

[This Thing of Darkness](#) Richard Paul Hamilton, Margaret Sönsen Breen, 2004 Written across the disciplines of art history literature philosophy sociology and theology the ten essays comprising the collection all insist on multidimensional definitions of evil Taking its title from a moment in Shakespeare's *Tempest* when Prospero acknowledges his responsibility for Caliban this collection explores the necessarily ambivalent relationship between humanity and evil To what extent are a given society's definitions of evil self-serving Which figures are marginalized in the process of identifying evil How is humanity itself implicated in the production of evil Is evil itself something fundamentally human These questions indicative of the kinds of issues raised in this collection seem all the more pressing in light of recent world events The ten essays were originally presented at the First Global Conference on Perspectives on Evil and Human Wickedness held in March 2000 in Lady Margaret Hall Oxford University
