The Fall Of My Beginning:

The Fall of My Beginning Carolyn Gill Davis, 2001-08-20 The series of memoirs recalled and compiled by Carolyn Gill Davis Baird Jackson spans seventy years And although much of her character was formed by the people places things and images of childhood other stumbling blocks also helped to fortify her beliefs Her book *The Fall of My Beginning* falls naturally into three parts While I Learned to Know When I Thought I Knew and Then I Learned I Didn't Know This is not a prescribed autobiography Instead her book incorporates her feelings impressions reactions at many varied times in many varied places Emotions are succinctly expressed as poetry and letters to her deceased mother the guiding force in her life The poems range from the awesome wonder and compelling beauty she experienced in her first formative years in Indiana her bold and daring years in California and finally back home again in Indiana The reader will find no one major tragedy but a series that is familiar enough to provide reader identification and empathy Well preserved and cherished family photographs a few blurred by age have a mission to make the reader sense the family pride and loyalty In the end she feels gratitude for her life as varied and as up and down as could be Even her mother in Heaven knows now that all is well Ms Davis has her mother's letter as a testimony How fitting a closing to a special book Carolyn Gill Davis Baird Jackson Author
