**Permanent Guillotine**, 2018-07-01 When the Bastille was stormed on July 14 1789 it wasn t a crowd of breeches wearing professionals that attacked the prison freed the internees and killed its superintendent carrying off his head on a pike It was the working people of Paris who didn t wear breeches the sans culottes In the course of the French Revolution the sans culottes questioned the economic system the nature of property the role and even the legitimacy of religion and for the first

time placed class relations at the heart of a revolutionary upheaval They did so in an often inchoate fashion but they were new players on the stage of history and the Revolution constituted their learning curve The Permanent Guillotine is an anthology of figures who expressed the will and wishes of this nascent revolutionary class in all its rage directness and contradictoriness Taken together these documents provide a full portrait of the left of the left of the Revolution of the men whose destruction by Robespierre allowed for Robespierre himself to be destroyed and for all the progressive measures they advocated and he implemented to be rolled back The Revolution they made was ultimately stolen from them but their attempt was a fertile one as their ideas flourished in the actions of generations of French revolutionaries
