**The Sage in Relation** Andrew Montanaro, 2025-05-06 The Jewish sage Ben Sira links the partnership of the sage with personified Wisdom to his overall teaching on marriage and family This study provides a detailed analysis of this connection first by describing the overlapping characteristics of fathers in families and sages among

their students as seen through an examination of Ben Sira's use of metaphorical family language whereby the sage takes the role of father in the pedagogical setting. This study then describes the spousal relationship between the sage and personified Wisdom particularly as it appears alongside the marital instructions in Sir 23:16-26:18. This study further considers Ben Sira's privileged social position to influence the religious conviction of next generation Judaism and to strengthen Jewish youth against rising Hellenistic pressures that may tempt them away from Torah adherence. Ben Sira's solution then is found in his proposed vision of families modeled after his pedagogical setting. Finally Ben Sira's teaching is compared to other Second Temple texts showing the importance of his context for his conception of family and the needs of his time. Thus this study shows the relevance of Ben Sira's teaching for families as well as his distinctiveness among other Jewish texts.

**The Monsters Among Us** Kent Priore, 2025-09-09 Seth's life until now has been a product of a diabolical evil Truman Show his entire upbringing a facade orchestrated for malevolent purposes. After his beloved dies he undergoes a demonic metamorphosis which causes the world's fictitious walls to crumble. As he tries to piece a semblance of his life back together and move on he meets friends who inspire but even more harsh truths are revealed perhaps too difficult to cope with. The very existence of life and reality is exposed as a machination of grotesque gods. And to defeat them Seth will have to fill his emptiness for which there's only two options: Bring the world to ruin or learn to transmute his pain into strength.

*Male and Female in the Epic of Gilgamesh* Tzvi Abusch, 2014-04-27 The deeds and struggles of Gilgamesh, legendary king of the city-state Uruk in the land of Sumer, have fascinated readers for millennia. They are preserved primarily in the Epic of Gilgamesh, one of the most well-known pieces of Mesopotamian literature. Studying the text draws us into an orbit that is engaging and thrilling for it is a work of fantasy and legend that addresses some of the very existential issues with which contemporary readers still grapple. We experience the excitement of trying to penetrate the mind set of another civilization, an ancient one.
