

They say time heals all wounds. It  
doesn't. It just patches a broken heart.  
It doesn't get any easier over time.  
You just learn to live with the pain.

Perley,2018-12-02 Everyone at some point in their life will admit that they've had to face or overcome some type of inner barrier The problem is most of us can't pinpoint what that barrier is how it got there or how to overcome them These barriers can hold us back in life or make us feel like we are just out of reach of achieving our dreams These barriers may include mental and emotional loops that keep us down or effect our daily life Whether you've been abused as a child experienced a life altering event struggled with long term financial stress or even suffered a business or an athletic competitive loss this book is for you These events or moments can cause damage to the heart and soul This is where many of our inner struggles begin You are about to experience the most dramatic healing you've ever experienced as it pertains to inner pain This is not a self help book it is an interactive book that encourages you to participate in the activities outlined in each chapter to increase self awareness You will be taking a journey with me while your healing unfolds as you read about our family's experience with loss as you read about our heart wrenching battle with cancer and as read about our painful financial traumas and struggle with mental and emotional health Rest assured you won't just read about my family's experience you will take this journey with me and your healing will happen as we walk through your dark times together chapter by chapter This is the interactive part of the book It is a comprehensive book because it works in conjunction with a website and app where you can connect with someone who knows what you are going through Your purchase of this book will impact millions of lives especially those searching for help
