Whitling, 2002 A controversial 100 thousand word guide into worlds you never thought to explore Whitling offers straight talk about memetics with a twist how to recognize your own malignant memes how to free yourself with evolutionary concepts relevance of demons and angels what are your lifetime aims and why you probably don t know and what is at stake To quote from its author My mind s filled with open cans of worms so I can induce others to go fishing A cogent in your face challenge to current perceptions about the universe and Evolution as Creation s first cause Can he pull this off Yes Go with him down many paths to the same destination The fiery end of human life on earth may not be from bombs or plagues Learn about what NASA is keeping their eyes on while we distract ourselves with petty jousts Recent scientific discoveries and theories help you develop a personal lifeplan for an accomplishment oriented existence you will enjoy Read it See for yourself

The Time-Loop Chronicles 3 John Panella, 2017-08-27 The adventures of *The Lost Journal* did not come to an end as one might expect Many twists and turns led William towards his Paradise so it seemed just like his predecessor Tim Yet what became of William s family and the entire soul group What happened to Marie William s wife of times past and Beth and Mark his son and daughter And what about Sunilo and Matthias who never attended the great feast what happened to them We also wonder what took place with Agape and Aggie and Laura Thol with her husband and partner Max Stram We know they eventually appear at the Great Feast along with William but how did they get there What had their individual journeys been like And what really was the Great Feast This new book called *The Lost Medieval Prophecy The Serpentine s Mirror* begins to reveal how the lives of everyone intersect throughout all periods of time It reveals how each true soul has a mission and a purpose and once it is fulfilled then they can establish their return to paradise Amazingly everything seems so rather organized even when speaking of different time loops And yet seemingly it is the furthest thing from the given appearance of things *The Lost Medieval Prophecy* reveals that a mistake occurred where multiple time loops had crossed over and merged together This created great confusion in the end days
