## **Time Machine And The Invisible Man:**

**The Time Machine and The Invisible Man** H. G. Wells, 2017-10-03 From the father of science fiction H G Wells comes two masterpieces of speculative storytelling The Time Machine and The Invisible Man The former propels the reader into the distant future where a decaying Earth is being gradually swallowed by the Sun and where two strange species the delicate Eloi and the fierce subterranean Morlocks inhabit an eerie dystopia The latter offers the mesmerizing account of a bitter young scientist who discovers the chemical secret of invisibility uses it on himself and embarks on a terrifying descent into crime obsession and insanity Both horrifying and thought provoking these cautionary tales are combined into an elegantly designed edition that features a new introduction The Knickerbocker Classics bring together the works of classic authors from around the world in stunning gift editions to be collected and enjoyed

**The Time Machine** H.G. Wells, 2017-03-17 1898 Romance Dystopian Science Fiction I think that at that time none of us quite believed in the Time Machine The fact is the Time Traveller was one of those men who are too clever to be believed you never felt that you saw all round him you always suspected some subtle reserve some ingenuity in ambush behind his lucid frankness Had Filby shown the model and explained the matter in the Time Traveller s words we should have shown him far less scepticism For we should have perceived his motives a pork butcher could understand Filby But the Time Traveller had more than a touch of whim among his elements and we distrusted him The next Thursday I went again to Richmond I suppose I was one of the Time Traveller s most constant guests and arriving late found four or five men already assembled in his drawing room The Medical Man was standing before the fire with a sheet of paper in one hand and his watch in the other
