

pieces

I watched her drop the mirror
saw her face adopt the fear
that she would now be destined
to bad luck for seven years

but she looked at the pieces
there were hundreds, maybe more
and she noticed how they caught the light
in ways they'd not before

the light was bouncing everywhere
all spirited and bright
a hundred little mirrors
bringing all that light to life

so she picked up all the pieces
whilst she still had every chance
and she turned her bad luck
into opportunities to dance

and if you ever watched her
you would notice how she smiled
and how she moved and shimmered
like her soul had come alive

and if you didn't know her secret
you would not consider
that the glitterball she danced around
was once a broken mirror
