Times Angel:

Angels A to Z Evelyn Dorothy Oliver, James R Lewis, 2008-05-01 A thorough comprehensive guide to the world of angels. Angels whose principal employment is the protection and encouragement of human beings are more popular than ever. In this age of uncertainty it is easy to understand why the concept of angels is so comforting. While much has been written about angels throughout history, no single source examines them as thoroughly or as thoughtfully as *Angels A to Z*. Written by an angel expert and a recognized authority on nontraditional religious movements, this enlightening resource is one of the most comprehensive books on angels and angel-related topics currently available. More than 300 entries drawn from multiple religions such as Christianity, Islam, and Hindu traditions, as well as from pop culture, are included. Celebrity angels, obscure angels still waiting for their big break, classifications of angels (guardian angels, fallen angels, biblical figures associated with angels, angels in art and architecture, and angels in the media and literature), how ancient, contemporary, and pop cultures represent angels in their mythology, folklore, architecture, art, literature, religion, and so much more. *Angels A to Z* explores a wide assortment of topics including Gabriel, Michael, Lucifer, and other biblical angels; Angels in various religions (Christianity, Islam, Hinduism); Different classifications of angels such as the Valkyries from Norse mythology and Hafaza from Islamic tradition; Fallen angels, guardian angels, obscure angels, and angels across religious traditions. Authors who write about angels including Frank Peretti, Joan Wester Anderson, Eileen Freeman, Terry Lynn Taylor, and others. Artists who depict angels such as Michelangelo, Raphael, Glenda Green, and Karyn Martin. Karl Beloved fictional characters like Clarence from the film *It's a Wonderful Life*. If you want to know more about the rich and important history of these spiritual beings, *Angels A to Z* is the answer to your prayers. With more than 130 photos and illustrations, this riveting read is richly illustrated and its helpful bibliography and extensive index add to its usefulness.

The Expository Times James Hastings, Ann Wilson Hastings, Edward Hastings, 1903

Filipino Time Allan Punzalan Isaac, 2021-11-02 From spectacular deaths in a drag musical to competing futures in a call center, *Filipino Time* examines how contracted service labor performed by Filipinos in the Philippines, Europe, the Middle East, and the United States generates vital affects, multiple networks, and other lifeworlds as much as it disrupts and dislocates human relations. Affective labor and time are re-articulated in a capacious archive of storytelling about the Filipino labor diaspora in fiction, musical performance, ethnography, and documentary film. Exploring these cultural practices, *Filipino Time* traces other ways of sensing, making sense of, and feeling time with others by weaving narratives of place and belonging out of the hostile but habitable textures of labor-time. Migrant subjects harness time and the imagination in their creative life-making capacities to make communal worlds out of one steeped in the temporalities and logics of capital.
