## **Timid Timothy:**

Peter and Paul Martin Angelo Recio, 2011-10-27 The spiritual development of Simon Peter was slow and gradual He loved the kingdom of our Lord but always spoke before he thought He abounded in energy though at times it was misdirected As he stood by the side of the Master his spiritual perception grew Slowly and surely Simon Peter grew into a man of the Kingdom And at Pentecost there was no voice proclaiming the coming of the Holy Spirit louder than that of Simon Peter He became a rock of the Kingdom From common clay he became a living stone an builder up of the Kingdom of heaven So it may be for all who turn to the Lord Jesus The conversion of Saul of Tarsus otherwise called Paul was sudden and dramatic In one encounter with the risen and glorified Christ Paul was turned to the Lord Jesus The acceptance and peace with God which he had sought for so many years was his at last And he found it through simple faith in Christ Jesus The love and grace of Christ overflowed for him and he was elevated to an apostle for Jesus Christ

His people but is He still speaking now Mark Batterson certainly believes so And he wants to introduce you to the seven love languages of God each of them unique and entirely divine Some of them you might suspect but others will surprise you By learning to tune in to and decipher each language you ll be able to hear His guidance in simple as well as life altering choices God is actively speaking through Scripture Desires Doors Dreams People Promptings and Pain Batterson gives you the tools you need to unlock each of these languages God s whisper can answer your most burning questions calm your deepest fears and fulfill your loftiest dreams Discover how simple it is to hear God s voice in every aspect of your life He s speaking make sure you know how to listen Spectacular Sins John Piper,2008-09-12 John Piper delivers powerful biblical reassurances to bolster readers trust in the sovereignty of God and the supremacy of Christ when evil and tragedy come If God governs the sinful acts of men then does the devastation caused by those terrorists dictators murderers cheats and abusers discredit Jesus words All authority in heaven and earth belongs to me When heart rending news comes of the latest accident illness or natural disaster can we really believe that in Jesus all things hold together Though God has not answered all of our questions about sin and suffering there are things he wants us to know things he declares in his Word such as what s at stake in the spectacular sins of others and the horrible tragedies of this life their global purpose both historically and today and what these events say to us personally As John Piper works through these biblical truths this book will bolster readers trust in the utter sovereignty of God such that they ll be less timid in their witness and less afraid of whatever may come It is also a joy infused declaration that because everything occurs through Christ and for Christ and his glory they are forever secure in him
