**Classical Masculinity and the Spectacular Body on Film** D. O'Brien, 2014-10-29 The muscle bound male body is a perennial feature of classically inflected action cinema This book reassesses these films as a cinematic form focusing on the depiction of heroic masculinity In particular Hercules in his many incarnations has greatly influenced popular cultural interpretations of manliness and the exaggerated male form [Technology Transfer Between the US, China and Taiwan](#)

Douglas B. Fuller, Murray A. Rubinstein, 2013-06-26 Examining the flow of technical knowledge between the US Taiwan and Mainland China over the last sixty five years this book shows that the technical knowledge that has moved between these states is vast and varied It includes the invention and production of industrial goods as well as knowledge of the patterns of corporate organization and management Indeed this diversity is reflected in the process itself which is driven both by returning expatriates with knowledge acquired overseas and by successful government intervention in acquiring technology from multinational firms Technology Transfer Between the US China and Taiwan engages with the evolving debates on the merits importance and feasibility of technology transfer in the process of economic development globally and uses the example of Taiwan to show that multinational corporations can indeed play a positive role in economic development Further it reveals the underlying tension between international cooperation and nationalism which inevitably accompanies international exchanges as well as the delicate balancing act required between knowledge acquisition and dangerous levels of dependency and the beneficial role of the US in East Asia s technological development With contributors from disciplines ranging from history geography urban planning sociology political science and electrical engineering this multi disciplinary book will be of great interest to students and scholars working across a broad range of subjects including Taiwan studies Chinese studies economics business studies and development studies **Epic Films** Gary Allen Smith, 2015-09-03 Epic films

those concerned with monumental events and larger than life characters cover the period from the Creation to the A D 1200s and have been churned out by Hollywood and overseas studios since the dawn of filmmaking Cecil B DeMille a master of the genre hit upon the perfect mixture of sex splendor and the sacred to lure audiences to his epic productions The 355 film entries include casts and credits plot synopsis and narratives on the making of the films There are 190 photographs in this edition **Cinema of Swords** Lawrence Ellsworth, 2023-06-15 Cinema of Swords is a history guide and love letter to over four hundred movies and television shows featuring swashbucklers knights pirates samurai Vikings gladiators outlaw heroes like Zorro and Robin Hood and anyone else who lives by the blade and solves their problems with the point of a sword Though swordplay thrives as a mainstay of current pop culture whether Game of Thrones or Lord of the Rings or Star Wars swashbuckling was if anything even more ubiquitous during Hollywood s classic period from its foundations in the Silent Era up through the savage bursts of fantasy films in the 80s With this huge cinematic backlist of classics now available online and on demand Cinema of Swords traces the roots and branches of this unruly genre highlighting classics of the form and
