## **Voyagers Of The Chilcotin:**

**Voyagers of the Chilcotin** Carolyn Foltz, 1996 In 1928 an eighteen year old Elijah Gurr left his home in eastern Utah to help the Meham family move their belongings to a remote valley in British Columbia Upon their arrival in Vancouver they would board a steamship to take them 300 miles north to the Bella Coola Valley Elijah's parents knew it would be a difficult journey but expected him home in about a month Elijah never returned Eventually letters arrived telling his parents about a beautiful valley that was nothing short of a paradise with 40 pound spring salmon bald eagles moose and giant grizzly bears It was a place Elijah could not bring himself to leave He had found a rare treasure the jewel of the Pacific Northwest Almost four decades later other family members came in search of what Elijah had found They too would come to cherish the Bella Coola Valley *Voyagers of the Chilcotin* by Carolyn Foltz is her thrilling memoir of how she and her city bred husband made a life among the grizzlies moose and lumberjacks What would it be like to live in the wilderness Carolyn Foltz grew up in California wondering that very thing When she met and married the love of her life a man born and raised in the Bay area of San Francisco she quickly convinced him to leave behind their comfortable lifestyle on the West Coast and embark on what would become the adventure of their lives But both soon found that stepping into Bella Coola British Columbia was like going back in time a hundred years Told in warm engaging prose Foltz paints an indelible picture of a life far from the complexities of the modern world Besides dealing with wild animals Foltz and her husband had to learn to live without running water and electricity They used a hand ringer phone which had a party line with 24 other people But what Foltz learned was far greater than just how to survive in an isolated community She discovered that valuable lessons could be learned from a simpler lifestyle and that following your heart could lead to unimagined riches This is a tale so high spirited that excerpts ran in Canada's Coast Mountain News to great acclaim Unforgettable funny and gorgeously written *Voyagers of the Chilcotin* is a Valentine to the great outdoors and to the pioneer spirit *American Book Publishing Record*, 1997 [The Letters and Journals of Simon Fraser, 1806-1808](#) W. Kaye Lamb, 2007-05-30 B C journalist Stephen Hume has said that fur trader and explorer Simon Fraser should be celebrated as the founder of British Columbia Certainly the achievements of the Scottish descended United Empire Loyalist adventurer were impressive During three extraordinary years 1805 1808 Fraser undertook the third major expedition after Alexander Mackenzie's and Lewis and Clark's across North America culminating in his famous journey down the river in British Columbia that now bears his name Employed by the Montreal based North West Company Fraser was responsible for building many of British Columbia's first trading posts His exploratory efforts helped lead to Canada's boundary later being declared at the 49th parallel In this new volume librarian and archivist W Kaye Lamb provides a detailed introduction as well as illuminating annotations to Fraser's journals which were originally published by Macmillan of Canada in 1960 **First Nations, First Dogs** Bryan David Cummins, 2002 Yet not all knowledge of these breeds has been lost with them Legends journals artwork and photos remain to document these dogs and their

characteristics and they are featured here with the aim of showing the profound impact they had on First Nations cultures and survival Dogs were used as pack animals long before and after the arrival of the horse They hunted alongside Natives and starved with them too if the hunt was unsuccessful or game scarce In desperate times they were the food of last resort Dogs also figured prominently in song story and ceremony **Casualty Returns 1943** Lloyd's Register

Foundation,1943-01-01 The Casualty Returns refer to the total losses of ocean going merchant ships over 100 gross tonnes The Returns were published quarterly and annually recording losses according to flag and cause of loss Early Quarterly Returns give figures for steam and sailing vessels by flag and cause of loss and for total tonnage owned in each country
