VULCAN RISING

J. W. JUDGE

Vulcan Rising

Vulcan Rising:

Write Your Novel One Day at a Time J. W. Judge, 2022-11-01 You've always had the ideas for your novel. Now you can do the work of writing it. Write Your Novel One Day at a Time will help develop the processes to do the creative work of writing your novel. I will show you the power of consistency by giving you a look at my daily word counts and journal entries through the six-month endeavor of writing my third novel while working my day job as a commercial litigator and raising a young family. My writing has been twenty-five years in the making and now includes four non-fiction books and three novels. All these books have been written in small chunks, a few hundred words at a time, because small increments are the only ones I have. Through this book, I will show you how showing up daily to do your creative work will help you deliver the book you want to write. But I'm not the only one who has had to juggle writing, family, and a career. In Write Your Novel One Day at a Time, I interview five successful writers who began writing their novels during their professional careers. Through these interviews and my own experiences, I will help you develop a blueprint for how you can get your creative work done. I am not a guru who has all the answers; I am a writer who is figuring things out as I go. So, as I learn on the fly, I want to help flatten the learning curve and provide some encouragement for those of you who also aspire to write novels and get your words and your work into the world.

Forging Bonds J. W. Judge, 2022-09-20 The ties that bind may be your saving grace or the weight that drags you under. In the midst of chaos, confusion, and loss, bonds are forged. Those bonds that withstand the fires and trials will strengthen us and provide cohesion. But there are other bonds as well. Bonds that bind us against our will that become weights dragging us to depths we are unable to navigate. Thomas and Agatha are again left to pick up the pieces of their shattered lives after tragedy has struck. But this time they are not together. They cannot lean on one another. They must find new ways to cope and new means of overcoming obstacles. In the third book in the first Zauberi Chronicles trilogy, Thomas and Agatha are pitted not just against some villain but against time itself.

Seeking Sanctuary J. W. Judge, 2022-01-11 We are not our bloodlines but the culmination of the choices we make. Twelve years after their lives were ravaged by Vulcan's heinous acts, Agatha and Thomas have nestled into a life in the heart of Germany. But when the bodies of townsfolk turn up dead and mutilated, people whisper about the return of the Beast of the Black Forest. Agatha discovers that the place she has brought Thomas to raise and protect him is not a haven after all but a town with a sinister past. This will not be the quiet life she had hoped for. Agatha must decide whether to stand idly by or join the effort to restore peace. All the while, she is raising a boy who is tottering on the edge of becoming a man as each of them learns more about who they are and how it affects who they will become. Seeking Sanctuary is a work of dark fantasy that is the second book in the Zauberi Chronicles series.
