W Ambrose Bebb:

Mundandod Y Môr. Cyfieithiad W. Ambrose Bebb William Ambrose BEBB,1944 [A Welsh Hundred](#) W. Ambrose Bebb,2009-07-15 By combining a pair of diaries written a century apart [A Welsh Hundred](#) reveals for the first time in English the genuine character of daily life in the Welsh speaking heartlands of Middle and North Wales In the hands of W Ambrose Bebb the published diary opened up a new avenue for Welsh language literature and Bebb s work was hailed at its debut as the tour de force of a true artist There is nothing exactly like it to be found written in Welsh French or English This contemporary translation gives English readers their first glimpse into the joys and disappointments struggles and achievements of real life in Wales as lovingly portrayed by one of her favorite sons [The Fascist Party in Wales?](#) Richard Wyn Jones,2014-05-15 For decades otherwise highly respected figures in Welsh life have repeatedly claimed that Welsh nationalists sympathised with Fascism during the dark days of the 1930s and the Second World War In this path breaking book Wales s leading political commentator assesses the truth of these charges In addition to shedding new light on the attitudes of Plaid Cymru and its leadership during the period in question this book offers an insightful and challenging interpretation of the nature Welsh political culture [Celtic Literatures in the Twentieth Century](#) Сборник статей,2015-09-09 The Centre for Irish and Celtic Studies at the University of Ulster hosted at Coleraine between the 24th and 26th August 2000 a very successful and informative conference on Celtic Literatures in the Twentieth Century The lectures and the discussions were of a high standard and it was the intention of the organisers to edit and publish the proceedings as soon as possible thereafter Unfortunately due to difficulties in assembling some of the papers this was not possible and consequently publication has been delayed much longer than was originally anticipated Despite this delay we feel that those papers which we have received merit publication at this time not only because of their intrinsic merits but also because they represent the views of the authors on their respective topics at the turn of the twenty first century and will hopefully be of value to those interested in the state of the modern Celtic literatures [Revolution to Devolution](#) Kenneth O. Morgan,2014-09-15 It meets the need of the target market both as a historical and commentary based on lifelong research and as the work of a working member of the House of Lords involved in the contemporary political process at a central level This is an integrated range of studies focussing on Wales by a long established internationally recognised academic authority and member of the House of Lords Few other historians since the 1960s when I was an acknowledged pioneer from 1963 onwards have focussed on the history of 19th and 20th century Wales [The National Union Catalog, Pre-1956](#) **Imprints** Library of Congress,American Library Association.
