

DAVID GRANN

#1 New York Times bestselling author of
KILLERS OF THE FLOWER MOON

THE
WAGER

A tale of SHIPWRECK,
MUTINY *and* MURDER

Wager Mutiny

George Anson Baron Anson

Wager Mutiny:

The Wager Mutiny S. W. C. Pack, 1964 *The Wager* David Grann, 2023-05-11 THE SUNDAY TIMES NUMBER ONE BESTSELLER LONGLISTED FOR THE 2023 BAILLIE GIFFORD PRIZE FOR NON FICTION The beauty of *The Wager* unfurls like a great sail one of the finest nonfiction books I've ever read Guardian The greatest sea story ever told Spectator I cannot think of anyone who would not love this book It is an extraordinary true story beautifully written Richard Osman A cracking yarn Grann's taste for desperate predicaments finds its fullest expression here Observer From the international bestselling author of *KILLERS OF THE FLOWER MOON* and *THE LOST CITY OF Z* a mesmerising story of shipwreck mutiny and murder culminating in a court martial that reveals a shocking truth On 28th January 1742 a ramshackle vessel of patched together wood and cloth washed up on the coast of Brazil Inside were thirty emaciated men barely alive and they had an extraordinary tale to tell They were survivors of His Majesty's ship the *Wager* a British vessel that had left England in 1740 on a secret mission during an imperial war with Spain While chasing a Spanish treasure filled galleon the *Wager* was wrecked on a desolate island off the coast of Patagonia The crew marooned for months and facing starvation built the flimsy craft and sailed for more than a hundred days traversing 2 500 miles of storm wracked seas They were greeted as heroes Then six months later another even more decrepit craft landed on the coast of Chile This boat contained just three castaways and they had a very different story to tell The thirty sailors who landed in Brazil were not heroes they were mutineers The first group responded with counter charges of their own of a tyrannical and murderous captain and his henchmen While stranded on the island the crew had fallen into anarchy with warring factions fighting for dominion over the barren wilderness As accusations of treachery and murder flew the Admiralty convened a court martial to determine who was telling the truth The stakes were life and death for whomever the court found guilty could hang

The Wager David Grann, 2023-04-18 From the 1 New York Times bestselling author of *Killers of the Flower Moon* a page turning story of shipwreck survival and savagery culminating in a court martial that reveals a shocking truth With the twists and turns of a thriller Grann unearths the deeper meaning of the events on the *Wager* showing that it was not only the captain and crew who ended up on trial but the very idea of empire On January 28 1742 a ramshackle vessel of patched together wood and cloth washed up on the coast of Brazil Inside were thirty emaciated men barely alive and they had an extraordinary tale to tell They were survivors of His Majesty's Ship the *Wager* a British vessel that had left England in 1740 on a secret mission during an imperial war with Spain While the *Wager* had been chasing a Spanish treasure filled galleon known as the prize of all the oceans it had wrecked on a desolate island off the coast of Patagonia The men after being marooned for months and facing starvation built the flimsy craft and sailed for more than a hundred days traversing 2500 miles of storm wracked seas They were greeted as heroes But then six months later another even more decrepit craft landed on the coast of Chile This boat contained just three castaways and they told a very different story The thirty sailors who landed in Brazil were not heroes they were mutineers The first group responded

with countercharges of their own of a tyrannical and murderous senior officer and his henchmen It became clear that while stranded on the island the crew had fallen into anarchy with warring factions fighting for dominion over the barren wilderness As accusations of treachery and murder flew the Admiralty convened a court martial to determine who was telling the truth The stakes were life and death for whomever the court found guilty could hang The Wager is a grand tale of human behavior at the extremes told by one of our greatest nonfiction writers Grann s recreation of the hidden world on a British warship rivals the work of Patrick O Brian his portrayal of the castaways desperate straits stands up to the classics of survival writing such as *The Endurance* and his account of the court martial has the savvy of a Scott Turow thriller As always with Grann s work the incredible twists of the narrative hold the reader spellbound *The Story of the Voyage* Philip Edwards,1994 Study of voyage narratives including Cook and Bligh set in the context of British imperialism *The Wager Disaster* C.H. Layman,2015-04-08 This is the astounding story of HMS Wager driven ashore in foul weather onto the inhospitable coast of Patagonian Chile in 1741 Shipwreck was followed by murder starvation mutiny and the fearful ordeal of 36 survivors out of about 140 men Some were enslaved some defected many drowned The captain shot one of his officers There was an epic open boat voyage of 2500 nautical miles through the world s most hostile seas probably the greatest castaway voyage in the annals of the sea and the least known Midshipman Byron the grandfather of the poet was prominent among the survivors The story is placed in its historical context using eye witness accounts where possible with some previously unpublished material It finishes with the finding of the wreck by a British expedition in 2006 Foreword written by HRH The Duke of Edinburgh **True Crime and Punishment: Mutinies** Barry Stone,2011-05-23 Mutiny is an act of open revolt by those expected to serve without question by those working in the most disciplined and demanding of conditions in the crews of ships both naval and privately owned Mutiny on the High Seas examines the circumstances that have driven sailors and officers to reject or betray their code to overthrow authority to commit extreme and lethal acts of insubordination Each episode discusses the people who provoked the mutiny including brutal commanders poor living conditions poor pay untrained and unwilling men the occasional psychopath how the mutiny was quelled the fate of the mutineers and whether the mutiny achieved any broader institutional political or social change The stories range from the mutiny against circumnavigator Ferdinand Magellan in 1520 to the 1797 mutiny of the British Fleet through to the 1975 Storozhevoy mutiny led by an officer of a Soviet antisubmarine frigate to protest the corruption of the Brezhnev regime **Patagonia** Fernanda Peñaloza,Jason Wilson,2010 This volume is a selection of the papers presented during the international conference Patagonia Myths and Realities organised through the Centre of Latin American Cultural Studies at the University of Manchester and held in September 2005 at the Manchester Museum Introd *The Great South Sea* Glyndwr Williams,1997-01-01 From the sixteenth to the eighteenth centuries English buccaneers privateers and naval expeditions sought fame and fortune in the distant reaches of the South Sea Beginning with the voyage of Francis Drake in the 1570s and continuing through that of

George Anson in the 1740s a series of predatory English adventurers pursued Spanish treasure and for a few the dream of riches came true For most the voyages ended in disappointment and sometimes death This engrossing book investigates these maritime adventures and how they were described in popular accounts of the time accounts that affected English consciousness and perceptions of the wider world and that influenced the planning and nature of the later great voyages of James Cook and others Glyndwr Williams a leading expert on the exploration of the Pacific Ocean draws on printed accounts of South Sea voyages as well as unpublished records buccaneer journals expedition papers and government documents from public and private archives For English seamen preying on Spanish trade and treasure the South Sea was limited to the waters lapping the shores of Chile Peru and Mexico But the vision was wider for others Williams reveals Cartographers at home in England untrammelled by the constraints and dangers of actual voyaging produced speculative maps with a vast Terra Australis Incognita with fabulous Islands of Solomon and with a promised short passage from Atlantic to Pacific Satirical and utopian writers from Joseph Hall to Jonathan Swift found ample space in the wide ocean for their fictional travelers And contemporary published voyage accounts marvelous though not necessarily reliable further blurred the line between real and imaginary contributing to the alluring exotic image of the South Sea that took root in English folk memory and long outlasted the age of the buccaneers

Tracking the Franklin Expedition of 1845 Stephen Zorn,2023-08-25 The Franklin Northwest Passage Expedition of 1845 is perhaps the greatest disaster in the history of exploration all 129 men vanished as did the expedition s two ships HMS Erebus and Terror Over the next 150 years searchers found bones clothing and a variety of relics Inuit narratives provided some of the details of what happened to the frozen starving sailors after they deserted their ice locked ships in 1848 Then in 2014 and 2016 Canadian researchers found the sunken wrecks not far from the bleak windswept King William Island in the Arctic At last the mystery of the Franklin Expedition would be solved Or would it This book pulls together the various searchers discoveries the many recent scientific studies that shed light on when how and why the men died and whether in extremis they ate each other and illuminates what we know and what we don t and may never know about the fate of the expedition

The "Wager" Mutiny S. W. G. Pack,1964 [English/British Naval History to 1815](#) Eugene L. Rasor,2004-10-30 The English British have always been known as the sailor race with hearts of oak the Royal Navy as the Senior Service and First Line of Defense It facilitated the motto The sun never set on the British Empire The Royal Navy has exerted a powerful influence on Great Britain its Empire Europe and ultimately the world This superior annotated bibliography supplies entries that explore the influence of the English British Navy through its history This survey will provide a major reference guide for students and scholars at all levels It incorporates evaluative qualitative and critical analysis processes the essence of historical scholarship Each one of the 4 124 annotated entries is evaluated assessed analyzed integrated and incorporated into the historiographical scholarship

[The Seaforth Bibliography](#) Eugene Rasor,2009-04-17 This remarkable work is a comprehensive historiographical and bibliographical survey of the most

important scholarly and printed materials about the naval and maritime history of England and Great Britain from the earliest times to 1815 More than 4 000 popular standard and official histories important articles in journals and periodicals anthologies conference symposium and seminar papers guides documents and doctoral theses are covered so that the emphasis is the broadest possible But the work is far far more than a listing The works are all evaluated assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student scholar and enthusiast alike It is divided into twenty one chapters which cover resource centres significant naval writers pre eminent and general histories the chronological periods from Julius Caesar through the Vikings Tudors and Stuarts to Nelson and Bligh major naval personalities warships piracy strategy and tactics exploration discovery and navigation archaeology and even naval fiction Quite simply no one with an interest and enthusiasm for naval history can afford to be without this book at their side
