Waiting For You:

Wandering and Wondering Randall Worley,2017-10-10 Mark Twain once said The two greatest days in your life are the day you were born and the day you find out why But what happens when you know the why but can t figure out how to make it happen It is this journey between the realization of your purpose and its actualization that Randall Worley calls process Purpose which answers why can be realized in moment However process which must answer how is not actualized as quickly In other words becoming an overnight success takes years Purpose has been a hot topic for several years capturing the attention of those adrift in a culture of apathy and aimlessness It is certainly a far more palatable subject in today s culture of self improvement than is process because it seems to offer a free carpet ride from here to there Your destiny however is not downloadable The dream of your future is free but the journey will demand a price Yet it is in the sacrifice and effort of process that God will turn your purpose into a world changing reality
