

# Labor Union

Labor union – association of workers organized to improve wages and working conditions for its members.

## *Why do we have unions?*

- ▶ based on the belief that as a group, workers will have more influence on management.
- ▶ Working conditions in the 1800's were very poor – bad lighting, little ventilation, dangerous machinery was being used, long workweek, low wages, no sick leave, no paid vacations and holidays, no health care benefits.
