When Christ Returns:

The Coming of the Son of Man Jeffrey Horton, 2017-11-06 Behold I stand at the door and knock If anyone hears My voice and opens the door I will come in to him and dine with him and he with Me Rev 3 20 Wouldn't it be great if you could open the door invite Jesus into your home and ask Him when He's coming back All the confusion about the events surrounding Christ's return would vanish as He explains the Scriptures to you You would have your own Emmaus Road journey Like the apostles and first century disciples you could say that He opened the eyes of your understanding That's exactly what this series does by unfolding in an easy to follow manner what God's Word shows us and what Jesus taught Each of the three books focuses on three critical end time revelations that open the door of our understanding surrounding the events of Christ's return The New Testament apostles received these keys from Jesus Himself Over the centuries these revelations were lost or watered down leaving us clustered and even fearful That's not God's will It's time to let the Word speak for itself with a message of comfort hope and victory The Coming of the Son of Man brings you to your final destination literally It shows you what Jesus taught His disciples about the end of this age the rapture and the sign when all these things will be fulfilled The journey will expose the misidentification of key terms that distorted the Church's understanding of Christ's return Along the way Jesus's teaching known as the Olivet Discourse as well as the book of Revelation will become clear No more confusion No more questioning how to prepare Simply the truth of God's plans and purposes [When Christ Returns](#)

The Second Coming John MacArthur,2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again Yet God s own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ s longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ s return as well as a certainty about how to live expectantly until He comes again **The Approaching Apocalypse** Robert Adams,2014-09-06

This book deals with a profoundly decisive change in world history There s going to be a transition from governance under fallen man to a government from God Himself Jesus Christ is going to return and reign over the world with perfect justice Prophecies in the Bible tell us that due to the rebellion of man against his Maker the time leading up to the second coming of Christ is going to be intensely troublesome Find out what s to come and how to be prepared in these last days **When**

Christ Returns William F. Golemon,2016-01-05 Christianity is filled with theories on when and how Christ will return but none are based on the simple facts God gave us in His Bible To find the real story we must go to God s Word and learn how He told us the story would unfold God gave Israel eight Feasts as mileposts along history s path to the final crowning event of Christ coming back to earth as King of Kings and Lord of Lords and they reveal a lot about the the timeline God is using to bring His History to a climatic conclusion God is not using our Gregorian calendar but the one He gave to Israel in ancient times By using God s Hebrew calendar and His Feasts of Israel we can zero in on the approximate time for our anticipating Christ s return This is not an exact date but a window of anticipation The Apostle Paul admonished us to keep looking up with anticipation and this we have done *Signs of Christ's Return* John MacArthur,1987 **99 Reasons why No One Knows when Christ Will Return** B. J. Oropeza,1994 B J Oropeza shows why no one can predict the date of Christ s return from historical events geological disasters coded numbers the identity of the antichrist sources outside the Bible and on and on

Are We There Yet? A Common Sense Guide To End Times Scriptures Michael Reed,2017-08-25 The subject of the return of Jesus has fueled speculation ever since He left When is He coming Will we know when He is about to return Are the things happening in our world today signs of the times What does the book of Revelation say about the return of Jesus And what about the nation of Israel What role do they play in end times scenarios Mike Reed attempts to address these and other questions about Christ s return in this book For the average person and even for those who have studied the topic for awhile the subject of Christ s return can be overwhelming In this book the author will attempt to guide the reader into an understanding of the return of Christ first based upon what Jesus said about it and then looking at what the apostles and prophets have said The basis for the confusion on the subject is because most authors have not followed that sequence This is a book written for laymen It attempts to utilize good scholarship but it is written for the nonacademic follower of Jesus who wants to understand what our Lord said about this most important topic The book is also written with the desire to be a good example of how to utilize sound and time honored methods of interpretation which can be applied to any topic of scripture
