**Towards Awareness** Hemant Chopra,2006

This book is written from a psychological perspective by the author sighting examples from Jainism A critical view by the author creates a conflicting note in the text while explaining the crossing paths of the atheists and the religious people The analysis of the blind followings as explained by the author is te key to understanding his views On a high note the journey towards awareness is not as easy as it seems full of trials and tribulations it starts from within **The Decline of the West...: Perspectives of world-history** Oswald Spengler,1928 Contains Spengler s well known work on the history of and the rise and fall of various civilizations **Times of Retirement** George Matheson,Donald Macmillan,1901 A Salamander's Tale Paul Steinberg,2015-04-21 Staring in the face of prostate cancer at age thirty five and metastatic disease and proposed surgical castration at age forty Paul Steinberg was forced to take two simultaneous journeys The first was to transition from doctor to patient and surrender his physical health to a medical establishment he knew from firsthand knowledge would be using approaches that would be outdated within a few years The second was a spiritual journey His search for a higher meaning in his life sent him as far as walking over hot coals with Tony Robbins Using the salamander as his role model Steinberg a college health and sports psychiatrist takes a look at the evolution of the regenerative capabilities of cold blooded vertebrates like the salamander and at what we as humans have lost and gained in our warm bloodedness How do human beings regenerate How do we redeem ourselves when our capacity for regeneration is limited How did the prostate evolve and how does prostate cancer develop With wit and humor Steinberg tackles lust and sex and ultimately time and death and the gods Having lived longer than virtually anyone else with metastatic prostate cancer he uses his knowledge as a doctor and experience as a patient to provide a story of endurance and perseverance weaving a tale of grace regeneration and redemption just not the kind of regeneration and redemption that he or anyone else would expect
