What Really Matters: 7 Lessons for Living from the Stories of the Dying Karen M. Wyatt, M.D., A hospice physician relates stories about the end of life spiritual wisdom of several dying patients and their families in order to offer seven profound lessons to change one s perspective toward suffering life and death Provided by publisher *50 Days In* Dr. Joseph E. Preble,2023-03-27 Becoming a Christian is wonderful but living the life of a Christian is so much more To dedicate oneself to the service of the Lord is one of the most wholesome experiences anyone can imagine Yet with their newfound faith many lack the knowledge of how to properly live the Christian life This can be true for anybody but even more so for the incarcerated Christian who has to deal with the hatred violence and misery that prison culture so often brings them Many end up impeded in the advancement of their faith Having lived the life himself and overcome its challenges by the grace of God this book is written by an inmate for other inmates and it details how to begin to understand what it means to be a Christian how to follow God s will for your life and how to triumph through the difficulties and setbacks prison plays on those of the faith trying to find God in seemingly godless circumstances Not only will this fifty day journey be life changing but also it will help you come to terms with the past give you hope for the future and guide you in developing a proper understanding of God s will for your life Ultimately it will lead you to the healthy relationship God so desires for you to have with him This is for those truly looking to know God to worship him and to bring him glory with their lives both in prison and afterward
