

A watercolor illustration of a bird, possibly a parrot, in flight. The bird is shown from a top-down perspective, with its wings fully extended. The wings are rendered in shades of light blue and white, with fine lines indicating the feathers. The bird's body is dark, and its feet are visible, holding onto a small object. The background is a soft, textured wash of light blue and white, suggesting a sky or a misty atmosphere. The overall style is delicate and artistic.
