When Men Meet:

When Men Meet Henning Bech, 1997-03-15 For sociologist Henning Bech the image of the male homosexual has become emblematic of the modern urban condition in which freedom and mobility contend with transience and superficiality in which possibility energy and engagement vie with uncertainty and restlessness In this powerful and frankly provocative critique Bech skillfully examines the distinctive relationship between urban modernism and the gay experience exploring in compelling fashion its growing ramifications for the cultural mainstream Gay society has persevered even flourished in this highly charged urban environment aestheticizing and sexualizing the spaces both public and private where men meet With profound insight and honesty Bech details this world candidly reflecting on sex friendship love and life as manifest in the homosexual form of existence He convincingly demonstrates that in the face of modern alienation successful coping strategies developed by gay men are gradually being adopted by mainstream heterosexual society These adaptations are often masked by what Bech calls an absent homosexuality in which sublimated themes of homosexuality and masculine love surface only to be disavowed in expressions of social anxiety This absent homosexuality acts as a kind of cultural filter allowing key traits of gay life to be absorbed by the mainstream while shielding heterosexual males from their own homophobic anxieties Ultimately Bech foresees a postmodern convergence of hetero and homosexual forms of existence emergent from this urban landscape and with it a new masculine synthesis Certain to ignite immediate controversy *When Men Meet* offers both a penetrating scholarly analysis of the modern homosexual condition and an unflinching cultural vision of the masculine in transition

Win the Men J.K. Goodson, 2010-01-30 In this book Pastor Goodson introduces concepts that will challenge ministries to win the men in a time when women outnumber men in most of our churches we need to seek out men who have lost their way both in the church and outside the church this book will help pastors leaders and priests implement the concepts from this book In this book pastor Goodson challenge the body of Christ to go after the men this book is a must read for churches who want balance in their churches lets Win the Men

When Men Meet Henning Bech, 1997-03-15 For sociologist Henning Bech the image of the male homosexual has become emblematic of the modern urban condition in which freedom and mobility contend with transience and superficiality in which possibility energy and engagement vie with uncertainty and restlessness In this powerful and frankly provocative critique Bech skillfully examines the distinctive relationship between urban modernism and the gay experience exploring in compelling fashion its growing ramifications for the cultural mainstream Gay society has persevered even flourished in this highly charged urban environment aestheticizing and sexualizing the spaces both public and private where men meet With profound insight and honesty Bech details this world candidly reflecting on sex friendship love and life as manifest in the homosexual form of existence He convincingly demonstrates that in the face of modern alienation successful coping strategies developed by gay men are gradually being adopted by mainstream heterosexual society These adaptations are often masked by what Bech calls

an absent homosexuality in which sublimated themes of homosexuality and masculine love surface only to be disavowed in expressions of social anxiety This absent homosexuality acts as a kind of cultural filter allowing key traits of gay life to be absorbed by the mainstream while shielding heterosexual males from their own homophobic anxieties Ultimately Bech foresees a postmodern convergence of hetero and homosexual forms of existence emergent from this urban landscape and with it a new masculine synthesis Certain to ignite immediate controversy When Men Meet offers both a penetrating scholarly analysis of the modern homosexual condition and an unflinching cultural vision of the masculine in transition *Proceedings of the ...
