Why Santa Was Late for Christmas Ernest Allen Talley, Sr., 2003-10-01

Cathedral and Civic Ritual in Late Medieval and Renaissance Florence Marica Tacconi, 2005-12-08 The service books of the Florentine Duomo of Santa Maria del Fiore were like the church itself a cultural reflection of the city's position of power and prestige Largely unexplored by modern scholars these manuscripts provided the texts and sometimes the music necessary for the celebration of the liturgical services Marica S Tacconi offers the first comprehensive investigation of the sixty five extant liturgical manuscripts produced between 1150 and 1526 for both Santa Maria del Fiore and its predecessor the early cathedral of Santa Reparata She employs a multidisciplinary approach that recognizes the books as codicological liturgical musical and artistic products Their cultural contexts and their civic and propagandistic uses are uncovered through the analysis of extensive archival material much of which is presented here for the first time This important and fascinating study provides new insights into late medieval and Renaissance Florentine ritual and culture
