slimy little gastropods *A Slow Passion* is Ruth's story with anecdotes and misadventures galore. What starts out as a ruthless vendetta against the snails that are decimating her hostas becomes a journey of discovery into the whys and wherefores of snail life. When Ruth dumps a group of the worst offending snails in a far off wood she decides to paint their shells with nail varnish just to see what happens. And guess what they come back home. This is the beginning of an obsession that sees the grandmother turned scientist prowling about and pouncing on the snails in her garden sneaking off on night time missions to repatriate bucketloads of painted snails reading up on the sex life of snails which turns out to be unexpectedly romantic and eventually sending off the application to a national competition for home science. With charming illustrations *A Slow Passion* is a sweet funny and surprising investigation into the hidden life of snails which will change the way you look at the smaller and slower things in life.

So Slow! Dave Saunders, Julie Saunders, 2001.
