**Francis Warner**

## **Studying Boys:**

**Studying Children's Questions** Melissa Gross,2006 This book reports on a study examining Imposed Queries in the School Library Media Center and is a follow up to a pilot study on the same topic The analysis is presented in a way that provides a clear road map for researchers students and practitioners who wish to undertake a study of this type or to advance thinking about the place of imposed queries in information seeking Particular attention is given to the special nature of the investigative processes undertaken and the concerns researchers have when approaching the study of children in information providing environments The research process is described in detail and highlights research questions methodological issues and data gathering techniques The literature on children as a user group and as information seekers is reviewed and the research findings and conclusions are discussed Also advice is offered for readers interested in undertaking their own study of imposed and self generated queries

**The Children: how to Study Them** Francis Warner,1887

*The Learning Indices and Study Methods of School Children in Spelling* Samuel Atkin,1930

**The Boy Question** Mark Roberts,2021-06-29 Following on from the huge success of Boys Don't Try this essential new book answers nine key questions about how teachers and schools can best tackle boys academic underperformance For decades schools have grappled with the most significant barriers to male academic success a lack of motivation to succeed poor attitudes to learning lower literacy levels and a reluctance to read for pleasure or write at length In this compelling book Mark Roberts provides clear answers about how teachers can tackle The Boy Question Each chapter answers a frequently asked question about how best to teach boys outlining the issue and demonstrating what can be done about it Informed by a wealth of research and the author's personal experience of successfully teaching boys this book offers an abundance of practical advice for the busy classroom teacher It will shine a light on what makes boys tick and how we can design effective curriculums to ensure they can best acquire powerful knowledge With practical advice and examples to help address anti social attitudes and stem the cycle of boys underachievement this is essential reading for all teachers and school leaders

**Handbook of Children's Risk, Vulnerability and Quality of Life** Habib Tiliouine,Denise Benatuil,Maggie K. W. Lau,2022-07-30 This handbook makes a major contribution to the growing international research and policy interest in children's experienced well being or quality of life in childhood linking it to ongoing research on children's risk and vulnerability The editors and contributors adopt the broader concept of risk in addition to vulnerability Not much work considers the connections between risks that children experience and their quality of life In examining children's quality of life the chapters discuss various issues of risk and vulnerability that may affect their lives and also how the quality of childhood might be enhanced and maintained even in the face of these factors The chapters discuss experiences of violence and abuse access to basic services such as housing health and education and children's vulnerability due to broader external factors such as war conflict and environmental events The volume also includes the impacts of new technologies on children and the consequent risks and

vulnerabilities they may face alongside the benefits This important volume brings together a diverse range of perspectives from established experts and emerging scholars in these fields of work It covers a wide range of geographical and cultural contexts and includes theoretical empirical policy and practice based contributions This handbook is a natural first point of reference for academics and policy professionals interested in quality of life well being and children s rights
