*Tattered Silk* Elaine Barbieri,1991      *Ink Matters* Leslie D. Cooper,2011-05-25 Christians should have an audacity of faith with an auspicious outlook on life but instead we forget to keep our focus in perspective We all struggle with inadvertent day to day living and unruly heart interruptions Th is of course is all along the lines of lifes journey However in Christ getting an understanding of our concrete problems becomes water under the bridge How you perceive your problem will shape and determine your outcome Your problem can either be deemed as a tool to catapult you into your victory or your spiritual death announcement upon your defeat Its your call Hidden in the writings of these poetic expressions and emotional odysseys are minor yet helpful tips One can be mindful that he or she is not alone and during our struggles they should not be endured alone We must understand that we need each other no matter what heartache or pains befall us We need to grasp an understanding of the greatest gift which is love and allow it to flourish throughout our natural being Once we allow love to rule in our hearts we can expect an increase of happiness in our lives We must reach our destination BY ANY MEANS NECESSARY We must be willing to demonstrate the power and character of our father by developing wisdom and embracing the anointing of LOVE to reach our destination as well as accomplishing our God given tasks      **Amelia** Henry
