Human Birth Wenda R. Trevathan, 2017-07-05 The story of human evolution has been told hundreds of times each time with a focus that seems most informative of the teller No matter how it is told the primary characters are rarely mothers and infants Darwin argued survival but today we know that reproduction is what evolution is all about Centering on this Trevathan focuses on birth which gives the study of human evolution a crucial new dimension Unique among mammals humans are bipedal The evolution of bipedalism required fundamental changes in the pelvis and resulted in a narrow birth canal Humans are also large brained animals which means that birth is much more challenging for our species than for most other animals The result of this mismatch of large head and narrow pelvis is that women are highly dependent on assistance at birth and their babies are born in an unusually undeveloped state when the brain is still small Human Birth discusses how the birth process has evolved and ways in which human birth differs from birth in all other mammals Human Birth is also concerned with mother infant interaction immediately after birth While working as a midwife trainee Trevathan carefully documented the births of more than one hundred women and recorded maternal and infant behaviors during the first hour after birth She suggests ways in which the interactions served not only to enhance mother infant bonding but also to ensure survival in the evolutionary past With clarity and compelling logic Trevathan argues that modern birth practices often fail to meet evolved needs of women and infants and suggests changes that could lead to better birth experiences This paperback edition includes a new introduction by the author *Catalogue* Jacques Schulman (Firm), 1911 **Mexican School of Particles and Fields, Oaxtepec, México, 1984** José Luis Lucio, Arnulfo Zepeda, Matías Moreno, 1986 **Mexico** John Noble, 1995 This updated edition of Lonely Planet's classic guide to Mexico provides current in depth travel information and a range of choices for travelers of all budgets and interests From places to stay to details on festivals and sights to comprehensive information on getting around this guide covers it all Color photos *Mexico*, 2008 **Beef Today**, 1995 Comercio Exterior de México Banco Nacional de Comercio Exterior (Mexico), 1973 **La pesca en México** Yolanda Mercader Martínez, Georganne Weller, 1980 **Diario oficial de la federación** Mexico, 2006 **BANCOMEXT Trade Directory of Mexico**, 1993 *World Mines Register*, 1904 Mines Register Horace Jared Stevens, Walter Harvey Weed, Walter Garfield Neale, Lenox Hawes Rand, Edward Barney Sturgis, Joseph Zimmerman, 1905 **The Copper Handbook**, 1907 **Designators for Aircraft Operating Agencies, Aeronautical Authorities and Services** International Civil Aviation Organization, 2007 **William Makepeace Thackeray** Lewis Saul Benjamin, Lewis Melville, 1910 Mines Register, 1904 **The Copper Handbook** Horace Jared Stevens, 1904 Mines Register Walter Harvey Weed, Horace Jared Stevens, Walter Garfield Neale, Edward Barney Sturgis, Lenox Hawes Rand, Joseph Zimmerman, 1907 Catalogue des riches collections numismatiques de feu son excellence de Général Noguet à Madrid, de Monsieur Mr. D.
