

Time Somebody Told Me by Quantedius Hall

from You Hear Me?

Time Somebody Told Me
That I am lovely, good and real
That I am beautiful inside
If they only knew me
How that would make me feel.

Time Somebody Told Me
That my mind is quick, sharp
And full of wit
That I should keep on trying
And never quit.

Time Somebody Told Me
How they loved and needed me
How my smile is filled with hope
And my spirit sets them free
How my eyes shine, full of light
How good they feel when they hug
me tight.

Time Somebody Told Me
So, I had a talk with myself
Just me, nobody else
'cause it was time

Bethany Nelson, 2021-02-25 This book explores the concept of playmaking and activism through three research projects in

which culturally and linguistically diverse high school students and young adults created original theatre around the issues that inform their lives and constrain their futures Each study discussed by the author is considered through the lens of one or more best practices The outcomes of the playmaking experiences communicated through detailed ethnographic data and the voices of student participants make a strong case for using what we already know about teaching to positively impact gross inequities of outcome for culturally and linguistically diverse students This study will be of great interest to students scholars and practitioners in Applied Theatre Theatre Education and Art Therapy
