This is the story the daily press didn t give us It may be the definitive book about what happened at Mt Carmel near Waco Texas examined from both sides the Bureau of Alcohol and Tobacco and Firearms ATF and the FBI on one hand and David Koresh and his followers on the other Dick J Reavis contends that the government had little reason to investigate Koresh and even less to raid the compound at Mt Carmel The government lied to the public about most of what happened about who fired the first shots about drug allegations about child abuse The FBI was duplicitous and negligent in gassing Mt Carmel and that alone could have started the fire that killed seventy six people Drawing on interviews with survivors of Koresh s movement which dates back to 1935 as well as from esoteric religious tracts and audiotapes and previously undisclosed government documents Reavis uncovers the real story of the burning at Waco including the trial that followed The author quotes from Koresh himself to create an extraordinary portrait of a movement an assault and an avoidable tragedy
