How to Manifest a Specific Person

Tatiana Busan, 2025-09-27 There is a special man in your life he could be your ex or a man you are in love with Maybe you wrote to him and he didn't reply maybe he disappeared or maybe he is sending you mixed signals Maybe he doesn't want you he has distanced himself and you are waiting for him to come back When it comes to manifesting love with a man who is not yet in love a lot of uncertainty fear and doubt can arise If you always focus on the fact that you are not yet with him that he is not in love with you that he is distancing himself and not writing to you that result is exactly what you will manifest If you feel disappointed in love it's normal that the man you want hasn't come into your life yet Every time you assume that you only meet the wrong men or have romantic relationships that hurt you you are manifesting what you believe Men are a projection of your mind and will act and behave just as you assume they will Even if you are not always aware of it you are constantly manifesting your reality Manifesting a specific person requires much more than simply desiring or wanting something The fundamental principle of the Law of Attraction is to behave as if you are already living the reality you desire This book will guide you step by step on what to do how to think speak and feel in order to manifest the relationship you desire in your life The Law of Assumption states that whatever you assume to be true becomes your reality This law applies to every aspect of the reality you experience including the man you love whether you are already with him or wish to build a relationship However there are common mistakes that many people tend to make compromising their results These mistakes are often related to misunderstandings about the Law of Assumption and how manifestation works If you want to manifest what you desire you must first become aware of the inner obstacles that could sabotage you and learn how to overcome them In this book you will discover the most common mistakes to avoid when you want to manifest a specific person The Law of Attraction is one of the most powerful tools for manifesting anything in your life including a loving relationship with the man you desire Many women despite their constant efforts feel frustrated because they cannot manifest what they desire In this book we will explore the reasons why you may not be able to manifest the man you desire and what to do to overcome these obstacles Do you want him to miss you desire you seek you out think about you and write to you all the time In this book you will discover how to manifest the reality you desire In this book you will discover Difference Between the Law of Attraction and the Law of Assumption Why According to Neville Goddard Manifesting a Specific Person Is Easy How to Behave Think and Speak as If You Already Have the Love You Desire Is Manifesting a Specific Person Wrong What About Their Free Will How Long Does It Take to Manifest What You Desire from a Man in Reality How to Use Telepathy to Enter a Man's Mind How to Tell if a Man is

Receiving Your Telepathic Messages How to Manifest a Message from a Man How to Manifest a Man Who Misses You and Thinks of You How to Manifest a Man Who Falls in Love with You Inspired Action That Moves You Toward Your Desires Why You Can't Manifest What You Desire from a Man How Not to React to the 3D External Reality Mistakes to Avoid When You Want to Manifest a Specific Person How to Believe in the Outcome Even When You Can't See It Yet How to Heal Emotional Wounds Before Manifesting a Love Relationship Reviewing Your Love Past How to Stop Obsessing Over Your Manifestation How Long Does It Take to Undo an Unwanted Manifestation Discover the Signs That Your Manifestation Is Arriving The Elocutionist's Library for Young and Old Mara Louise Pratt-Chadwick, Lida Brooks Miller, 1897 **Better Than Ever** April Osteen Simons, 2021-09-14 What will you do today Sometimes we get stuck in life doing the same thing day in and day out We can become unmotivated and unfulfilled longing for a change But every day presents the chance to begin anew to see circumstances and situations differently and to choose the path that leads to a life that's better than ever With personal stories and her signature humor April Osteen Simons reminds us that we have a choice every day to embrace the positive and turn away from the negative By appreciating what we have focusing on where we want to be and remembering that God is with us and wants the best for us we can take the necessary steps to live a happier healthier more hopeful life This is a celebration of all that life has to offer You're invited to remember that God wants you to enjoy every day finding your place of purpose fulfillment and happiness Soon you'll see that you are living a life that is better than ever **The True Life**, 1890
