When Cancer Comes:

Cancer Survivorship: How to Navigate the Turbulent Journey Hussam Haj Hasan, 2020-02-05 Forget about your cancer for a moment and imagine your life without it Now ask yourself the question does cancer have to consume my whole life The answer lies dormant inside your mind and you urgently need to let it out but you need help Whether your hope is escaping the emotional pain reducing the burden on your family searching for remission or just finding a new normal to cope peacefully Cancer Survivorship How to Navigate the Turbulent Journey is your roadmap This step by step strategy to self management teaches How to learn about your diagnosis and staging to help you make informed decisions about treatment choices How to establish effective communication channels with your oncologist to allow for collaboration and to participate in making health decisions How to categorize your health status at any moment on the cancer continuum and how to proceed with progress from that point forward How to adapt to new lifestyle adjustments to help you find your new normal and what to do to reduce the chances of recurrence and the emergence of second primary cancers How to navigate your survivorship journey during and after cancer to minimize side and late effects of treatment and sustain a healthy mind and body In this book Hasan dives into what it means to enact a follow up survivorship plan why you should implement it and then deeply explains how this can be done If you think that cancer is treatable and can be controlled as a chronic condition or you can't find a reason not to hope and wish for remission or recovery this is the book for you Cancer is a complex system of complex diseases making the road to recovery or remission not easy but possible It is your turn to join the millions of cancer survivors who are living with cancer just fine This book gives you the tools to enable you to join those millions now get out there and use them

Finding Your Balance Shonali Sabherwal, Nozer Sheriar, 2022-11-07 Urban myth has long made the menopause appear a scary endpoint in a woman's life This book debunks this misconception to reveal the menopause to be as much a journey defined by the years leading up to and after it known as the perimenopause as an event What role do hormones play in the menopause Do they work in isolation or are there external factors such as your environment your food and your mental state that affect them Can your concerns and symptoms only be medically addressed or do you have a role to play In Finding Your Balance gynaecologist Dr Nozer Sheriar and macrobiotic nutritionist Shonali Sabherwal combine their expertise into an empowering manual on navigating the peri menopause Mixing personal journeys with professional knowledge this book distils medical jargon into bite sized accessible knowledge that will enable women to make informed decisions on their health Moreover it guides the reader on to a holistic path that addresses how emotional states and lifestyles can influence the perimenopause Packed with information Finding Your Balance is the best friend every woman needs
