*When Charlie McButton Lost Power* Suzanne Collins,2007-09-06 Charlie McButton likes computer games so much he never plays with anything else When a thunderstorm knocks out the electricity his tech empire comes tumbling down and his whole world loses power Charlie needs batteries FAST But the only triple A s he can find are in his little sister s talking doll Will he resort to desperate measures and cause his sister to have a meltdown of her own Or will he snap out of his computer craze long enough to realize his sister might be fun even if she doesn t come with batteries Collins and Lester team up for a hilarious and timely tale that will crack up young computer addicts and those who love them **Suzanne Collins** Marcia Amidon Lusted,2012-08-01 The Hunger Games trilogy spread like wildfire says Annmarie Powers a teacher in Croton on Hudson N Y in a statement to USA TODAY the Nation s No 1 Newspaper The teacher explained that the books written by author Suzanne Collins deal with themes that teens are consumed with fairness relationships plenty of violence and blood greed hypocrisy subservience and rebellion Collins came up with the storyline one night while channel surfing Images of televised news coverage of the U S led war in Iraq blurred in her mind with scenes from a reality show and sparked an exciting idea What about a story that focused on teens in a fight to the death battle televised live from start to finish Published in 2008 The Hunger Games riveted teens and adults alike Followed by *Catching Fire* in 2009 and *Mockingjay* in 2010 each volume became an instant bestseller The books evolved into major motion pictures and Collins went behind the cameras to advise movie makers as her stories were translated onto the big screen Discover the literary and personal influences that helped Collins create one of the most challenging visions of human nature and rebellion **Suzanne Collins** Elizabeth Hoover,2012-06-15 Writer Suzanne Collins was forty six when she published *The Hunger Games* a novel for young adults set in a dark future where North America has been obliterated by war and climate change The residents of Collins s dystopia are forced to send their children to fight to the death in a sadistic game created by the government The book wrestles with meaty themes the effect of war the dangers of voyeurism in popular culture and how governments use hunger and threats of violence to control populations This new edition details Collins s life before the Hunger Games from the first eighteen years of her writing career in television to her well received children s book series called *The Underland Chronicles* Later chapters explore the phenomenal and unexpected success of the Hunger Games series a franchise which has a net revenue of over four billion dollars to date **Teaching with Literacy Programs** Patricia A. Edwards,Kristen L. White,Ann M. Castle,Laura J. Hopkins,2023-09-21 Winner of the AACTE 2025 Gloria J Ladson Billings Outstanding Book Award A step by step guide to developing equitable literacy instruction by adapting curriculum to support diverse learners In *Teaching with Literacy Programs* Patricia A Edwards Kristen L White Laura J Hopkins and Ann M Castle present a model that allows educators to address educational inequity through the critical and adaptive use of existing literacy curriculum materials In this accessible work they advise educators on ways to combine common classroom materials such as basal readers and core

reading programs with instructional practices that provide high quality responsive instruction to all students Edwards White Hopkins and Castle credit literacy instruction as a core part of overall educational equity and they recognize the crucial role that educators play in translating materials into instruction that benefits all learners Here they offer teacher education in support of this essential role deftly guiding educators through a four part development process CARE an acronym for cultivating critical consciousness analyzing materials reconstructing curricula and evaluating instruction reflectively to advance equity Built upon culturally relevant sustaining and antiracist pedagogy CARE enables teachers to provide literacy instruction that meets the range of needs and performance levels in classrooms supporting students in attaining academic achievement cultural competence and critical consciousness The approach outlined in this work which can be put into immediate practice helps educators to provide literacy instruction that builds on students multiple literacies and reduces educational inequity *Getting Beyond "Interesting"* Olga M. Nesi, 2012-07-19 Make use of a detailed plan and ready to use lessons for teaching appeal terms and Book Hook writing to students *Getting Beyond Interesting Teaching Students the Vocabulary of Appeal to Discuss Their Reading* is a practical application book that gives librarians all the tools they need to implement the teaching of both appeal terms and Book Hook writing and sharing When students know how to write Book Hooks and have access to an easy to use system for allowing students to share Book Hooks the result is greatly increased reading through the power of peer recommendations This book not only supplies a detailed plan for teaching appeal terms and Book Hook writing but it also provides two extensive appendices containing all the black line masters and forms needed to implement these lessons As a result practitioners will be able to enhance their students reading culture through increased sharing of reading and most importantly by empowering students with the ability to clearly define their reading preferences
