When Elvis Died:

When Elvis Died Neal Gregory, Janice Gregory, 1992 Now available in trade paperback for the first time and published to coincide with the 15th anniversary of his death a thoroughly researched and thought provoking look at the death of Elvis the media's reaction and the unexpected hysteria and hoopla that followed Finally a good book on the death of Elvis Presley Greil Marcus Rolling Stone *The Death of Elvis* Charles C. Thompson, James P. Cole, 1991 A new probe into Elvis Presley's death includes interviews with Colonel Tom Parker conclusive autopsy documents and a thorough account of the autopsy and why its findings are so hotly debated *The Mysteries Surrounding the Death of Elvis Presley* J. D. Rockefeller, 2016-10-17 Elvis Presley died of a heart attack on August 16 1977 in the bathroom of his Graceland Mansion But to many people Elvis never died On the other hand for some people he did not die of natural causes that is of a heart attack Many people have sighted Elvis since after his death and are convinced that Elvis isn't dead or at least that he did not die in 1977 as the world knows it There are numerous theories about why and how Elvis disappeared Why he faked his death Similarly the cause of his death also seems to be a mystery The autopsy report indicates a heart attack but there were drugs found in his system In short the death of Elvis still remains a mystery today and numerous theories are put forward even after so many years This book is an attempt to look at Elvis' death and the theories that surround it So let's get started **The Death and Resurrection of Elvis Presley** Ted Harrison, 2016-09-15 There is no other way to put it Elvis is the King Note the present tense even though Elvis supposedly died nearly forty years ago he has lived on in our hearts as a sound as an image and as an especially vigorous personality In fact it's safe to say no other celebrity has done so quite as well The Death and Resurrection of Elvis Presley is the story of that afterlife of Elvis after he left the building Walking the eccentrically carpeted rooms of Graceland bidding into stratospheric sums on his auctioned relics and mingling among the some 200 000 impersonators of his likeness Ted Harrison offers nothing less than the ultimate Elvis tribute Harrison begins of course in pilgrimage to Graceland He shows how Elvis's estate was pillaged nearly to ruin by his manager but was saved through the deft business acumen and financial vision of his divorced wife one Priscilla Presley If Graceland seems holy that's because it is Harrison unveils in Elvis's allure a deeply spiritual dimension showing how Elvis fans over the decades have anointed their idol with Christ-like qualities Through Elvis's extravagance Harrison raises fascinating links between money and faith and through Elvis's life he shows how the King actually fulfilled a host of roles ranging from hero to martyr to saint Underpinning the whole story is Elvis's extraordinary charisma and lest we forget his astonishing musical genius Fascinating colorful and deeply informative this book is a must have for any fan anyone who was ever lucky enough to see Elvis alive or who hopes they might still be able to Elvis Culture Erika Doss, 1999 Doss fine arts and American studies U of Colorado Boulder examines the image of Elvis from a number of perspectives including as a religious icon honored in household shrines as a sexual fantasy for women and men as an inspiration for impersonators as a not altogether positive emblem of whiteness for many blacks and as a

commodity to be protected by Elvis Presley Enterprises Bandw illustrations Annotation copyrighted by Book News Inc
