When God Seems Far Away:

When God Feels Far Away Jamie Rasmussen,2021-10-12 Have you ever felt far away from God Though many Christians are convinced they can't admit that if you're feeling distant from God you're not alone In fact honesty about divine distance is an important first step back to the presence of God The truth is we all go through seasons when prayers seem futile worship feels empty or we feel lonely wondering if God cares or even knows what we're facing When those seasons come and our familiar spiritual routines are no longer working how can we recover the closeness with God that we crave With transparency and a pastoral heart Jamie Rasmussen reveals eight ways to navigate divine distance and experience the nearness of God again After unpacking why God sometimes feels so far away he mines the riches of the book of Esther for principles that are available to us today The result is an intimate and practical guide to navigating seasons of divine distance so we can once again feel closer to God

When God Seems Distant Kyle Strobel,John Coe,2026-02-03 Most Christians experience zeal early in their Christian life but when that fades to a season of dryness it's tempting to assume one of two things We have failed or God is absent So we throw ourselves into ministry spiritual disciplines and study in order to break through to the other side of this dry season not realizing that willpower and habit modification cannot fix our spiritual lives or kick start a new season of spiritual growth Why Because we've missed the point of the wilderness Far from being evidence that we're failing in our faith spiritual dry seasons are actually part of God's plan to draw us into a deeper walk with him With the wisdom and compassion of those who have been there Kyle Strobel and John Coe invite you to draw near to the Lord as you walk through the differing seasons of the soul They explain the purpose of the wilderness in the story of God's people including our Savior and show how our spiritual lives actually benefit from times of dryness If you have found yourself in the desert desperately longing for the living waters Jesus promises this book will assure you that God is not absent and you may be on the cusp of experiencing a deeper faith

Seeds of Trust Brother Roger of Taizé,2006-04 Love forgiveness hope inner healing and discernment are the goals of Taizé a form of Christian meditation explained in this guide Providing a Bible passage for each two page spread and including reflections songs or chants guided questions for contemplation and prayers this collection of meditations can be used to overcome fears and anxieties nurturing trust in the human heart
