When God Sees Me Through:

How Does Your God See You? Dionne L. Crittendon, 2018-03-28 In order to accomplish anything a plan must be developed to bring it to pass In order for the plan to be developed the designer must see a picture of the finished product in his mind When God created man he had a perfect plan in mind for each individual he created In order for us to become that picture in our lives today we need be able to see ourselves as God sees us By seeing ourselves as God sees us we can begin to see ourselves as we really are Once we see ourselves as we truly were created to be we will know who we are and what we can be in the world today

The Enemy Within Is Real Shelia Benjamin Inusah, 2018-04-20 Riveting with twists that defy your expectations It reads like no other book Its an exceptional piece of writing that ushers you directly into the heart and nature of God and is life changing Finally a book written by a woman who had fallen into the darkness and could not see the light at the end of the tunnel This book will encourage you to never give up It shows how to come back from being dead spiritually even when everyone else looks at you and sees a failure God looks beyond your mistakes The writer shares with us how she was blessed to receive many chances through the grace of Gods unconditional love Bishop Antonio Thomas director of economic development senior pastor business owner

Reclaiming the Life We Lost Along the Way John Paterson, 2014-11-18 We ve been sold a bill of goods Not out of malice but out of a fundamental misunderstanding of how to effectively approach our lives and the world in order to secure the genuine happiness and authentic loving relationships we desire In Reclaiming the Life We Lost Along the Way we discover that at the heart of every decision we make is the intention to reduce our suffering and satisfy our unmet

yearnings Authentic love safety acceptance connection belonging meaning purpose value appreciation These are the shared desires of every human being To meet these desires we have invested tremendous effort yet the quality of life we have sought continues to elude us The reason is shockingly simple We have attempted to resolve an internal problem with external solutions The outside world can never satisfy our deepest longings until our inner world makes a critical shift in perception and orientation When this internal shift occurs our experience of everything outside of us begins to change as well This is the key to realizing and experiencing the quality of life we have been seeking for so long Discover who you really are recover your true self bring your unique gifts to life then share them with the world This book shows you how to reclaim the life you were born to live by recovering the authentic love and deep fulfillment you came out of the Universe to encounter and extend in your own life and the lives of everyone you touch [You're Beautiful](#) Christine Trujillo,2020-10-06 This is a memoir of my life and how God used death loss alcoholism sickness anger and divorce to transform me through His redemptive work I reveal how early in my life I tried to control all the events that occurred but this only brought more pain hurt and heartache I was going down a dead end path that was leaving me stagnate in my spiritual life and broken on the inside However God got my attention and offered a way out of all the distress that I was going through He offered me hope love and forgiveness and taught me how to use what I had gone through to help others who are hurting and feeling hopeless My life story is a living testimony of God's love grace and transforming power through the cross He took the ugliness and dysfunction that was in my life and turned it into a beautiful gift from which others may benefit My prayer is that others who read my story may see their value as God's chosen child and come to experience the most precious relationship there is **NLT Study Bible**
