When Hearts Are Light Again:

When Hearts Are Light Again Emilie Baker Loring, 1976-01-01 **When Hearts are Light Again** Emilie Loring, 2004

When the Lights Are Bright Again Andrew Norlen, 2021-11-01 It began as an artist's desperate desire to express himself inside a worldwide pandemic but in one year's time it has grown into a theater industry and country-wide outlet for healing grief, justice, and hope in the theater community. The Covid-19 pandemic revealed what a world without live performance looks and feels like. This book captures a small fraction of the powerful and transcendent internal heartbeat that never went away within the theater community. *When the Lights Are Bright Again* immortalizes the stories, struggles, and successes of an industry that was the first to be shut down and one of the last to return. Andrew Norlen weaves more than 200 letters from Broadway theater veterans, devout theatergoers, teenage dreamers aching for their day in the spotlight, long-time ushers, designers, creatives, and countless other arts workers with a brand-new breathtaking photo series by Broadway photographer Matthew Murphy. Not only has the creation of this book allowed the theater community to grieve and express themselves in a new way, but for every copy purchased, a portion of the profits will directly benefit The Actors Fund. This book will continue to help support arts workers to thrive and receive financial stability for decades to come with every copy sold. *When The Lights Are Bright Again* is a love letter to the arts community and every theatergoer, but above all else, it is a meditation on the human experience. There is something for every broken, tired, and angry soul inside this book. Hope. There is light in all of us; there always has been.

Happy Landings Patti Bender, 2023-03-14 Rom-coms meet cutes, mystery men, courageous women, and the happy endings of today draw a direct line to the words between the covers of Emilie Loring's romance novels. With a career spanning 40 years, Emilie Baker Loring saw millions of her books sold during her lifetime. *Happy Landings: Emilie Loring's Life, Writing, and Wisdom* shares this best-selling author's uplifting story for the first time. Loring's books brimmed with intricate plot twists, intense imagery, and page-turning excitement, setting her works apart from the drugstore novels of the early to mid-20th century. Her oft-quoted phrases are part of the American lexicon. Her readership has continued long after her passing. Now, with generations of readers, Loring's books have sold more than thirty-seven million copies in a dozen languages. And now, Emilie's own compelling life story is finally told in full. With never-before-published photographs, privileged access to the Loring family archives, and twenty years of meticulous research, Patti Bender reveals a woman who lived as she wrote, with intelligence, humor, and wisdom. After all, living is the greatest thing we'll ever do. Why not make an art of it? Emilie Loring lived through two World Wars, a pandemic, the Great Depression, and deep personal loss, with her optimism intact and thirty best-selling novels to show for it. This is a woman's story in swiftly changing times for women, a charming story with little-known anecdotes about prominent authors and the story of a writer in the making, with advice and encouragement for aspiring authors. I am personally grateful to Patti for filling out a dim, long-ago picture of my grandmother. Her skillful, sensitive portrait brings Emilie alive for me and adds many new dimensions: hard-working, organized, feminist, with

an extraordinary sense of optimism and faith that things would turn out all right Valentine Loring Titus Emilie Loring s
