## When I Was A Kid:

When I Was a Child Lillie McGee,2020-08-25 When I was a child I did not live with what I went through All I can say is it was completely gone If something happened the night before or during a weekend I simply did not know I felt a sense of sadness inside or maybe a knowledge I was different But I had no explanation for this foreboding feeling As I grew closer to eight years old I became aware of the fact that I had no parent mother or father I did not mourn it though It didn't even seem important to me I lived in a strange place I did not know anything I believe to keep the memories down until I could handle them After my mother died it was time She was gone My world changed Something about her being dead opened a tremendous fear A fear I had to deal with or it would end me *When I Was a Dancer* Robert W.
