**A Place Called Home** Kevin Shell,2013-11 This is the intimate private poetic journal of a man who was physically incarcerated and was also lost inside the wilderness of his soul It is the story of secrets told monsters fought and love found It is a tale told for those who have looked between the pages of the books that they have read for the other side of the words It is a story that will only be understood by those who have looked into the mirror of their hearts seen the inner and outer person that they are and accepted themselves

**Seasons of Love** Jack Mooney,2021-10-20 Seasons of Love is a collection of poems centered around love God and pain that is associated with being in love All of the poems are written in the early morning hours before work under candlelight my favorite part of the day There is one central theme or element within the poems that you will identify with which is the moon I believe that when you are in love the moon changes It becomes the one that you are in love with It is something that you can both share while holding hands on a park bench or five hundred miles apart You are never alone at this time because she is always there ever present for you to see From distant doors you can both share the moon as if she is standing next to you whispering in your ear Love is about two inseparable hearts it is about her being the only one in a crowded room and the feeling you are overcome with when she touches your hand The poems are written in the first person to pull you in and bring these elements to life Cover to cover I want the reader to see love from a new perspective where God is always present and love is unabridged So when completed grab her hand and look at the moon and make it yours make it personal The moon will change and your love will grow deeper and God ever present Love becomes more than just a word used to express our feelings It becomes an emotion that will overwhelm you when you touch her stare at the moon look into her eyes and watch her sleep

**The Final Segue** Sharon King-Jeffers,2021-08-25 I walked your grey stone floors from nave to Poet s Corner Careful to sidestep graves of poets long revered I felt a deep whispering in my heart I shivered in my warmth Was that Tennyson I heard softly calling Early winter sunlight streamed through the Rose Window gently Dust particles fell like teardrops in muted rainbow hues From an early age Sharon King Jeffers has read and been inspired by all forms of poetry Now she once again provides a glimpse into her heart and mind as she lyrically reflects on life love loss and everything in between In her second collection of contemporary poetry presented in three parts King Jeffers explores many relatable themes and subjects that include reflections on her first twenty five years of life pictures or things seen or felt and the beautiful state of Hawaii As she leads others through her poetic perceptions King Jeffers provides a space for others to reflect on their unique personal experiences and journey through life The Final Segue And Other Poems is a thoughtful volume of contemporary free verse that reflects the author s creative perspective
