Noah Built His Ark In The Sunshine Rev. James W. Moore,2003-08-01 Noah built his ark on a sunny day trusting in God he prepared in advance for the storm that was to come He didn t wait until the last minute He used the sunny days to get himself ready He used those bright days to build up the resources he would need when the rain and the floods came later In his story we learn many important things about his faith gratitude and spiritual strength But the question is How do we get there How do we reach that level of spiritual maturity That kind of faith and spiritual maturity doesn t just happen overnight We have to build it We have to work at the faith practice it express it study it share it And as we do our faith will grow and our gratitude will deepen and we too will be able to pray Lord whatever this day may bring you are here you are in it you are with us so may your name be praised
