When The Lights Went Out:

When the Lights Went Out Gare Joyce,2010-06-25 When the Lights Went Out tells the story of a moment in the 1987 World Junior Championship that forever changed the lives of the players involved and ignited a debate that has yet to subside about the way the game is meant to be played When Team Canada skated onto the ice that night in Piestany Czechoslovakia they thought they were 60 minutes away from a gold medal Future superstars like Brendan Shanahan and Theo Fleury pitted against Russians like Alexei Fedorov and Alex Mogilny dreamed of returning to Canada in glory Instead they were sent home empty handed bearers of a legacy that would follow them throughout their careers No one who saw it will ever forget it The mere mention of Piestany evokes the image of twenty fights breaking out all over the ice as players rushed to their mates defence of haymakers stick swinging and even kicking of a referee skating off the ice in shame ESPN hockey writer Gare Joyce tells the story of the game that marked the last time Canadian and Soviet players squared off as enemies rather than potential team mates in the NHL It tells the stories of the combatants on the ice Of the coaches behind the bench Of officials international hockey executives members of the media and even politicians who were caught up in the intrigue
