The Spirit of Prophecy B. Mathew, 2012-05. **THE SPIRIT OF PROPHECY** Does God speak to people today? The primary means He speaks today is through His written Word, the Bible. But God also uses a secondary means to speak to you today. And that is via dreams. Your prayer life will increase in greater intensity and in greater dimension. Your fasting life will increase in greater intensity and in greater dimension. Thereafter, you will begin experiencing strange and mysterious dreams, visions which will be out of the ordinary. Your mind and inner spirit will then begin receiving supernatural revelations of the Holy Spirit. Your faith to operate in the supernatural gifting of the Holy Spirit will be activated. And the spirit of prophecy will then fill you to the overflowing. You will then see what others do not see. You will then know what others do not know.

The Spirit of Prophecy ... by Ellen G. White Avol. 2 Ellen Gould Harmon White, 2006-09. [The Bible, the Spirit of Prophecy and Contemporary Issues](#) Spirit of Prophecy Symposium, 2019. This book contains a collection of presentations from The Bible, the Spirit of Prophecy and Contemporary Issues symposium held on February 14-17, 2018 at Helderberg College of Higher Education in Cape Town, South Africa. The symposium was jointly sponsored by the Spirit of Prophecy Department of the Southern Africa Indian Ocean Division, the Ellen G White Research Centre at Helderberg College, and various Unions of the Division. Participants presented papers clarifying issues that are currently causing division over the Bible and the writings of Ellen G White in the SID. The presentations included: Universal rules on interpreting prophetic literature; Independent ministries, offshoot movements, and church unity; The use of medicine in Ellen White's writings; How Ellen White's testimonies were received by the pioneers; Engaging millennials with the writings of Ellen White. In this book, the reader will be delighted to discover that Ellen White's two greatest passions were the Bible and the love of Jesus Christ, and these central points inform the bulk of her writings. Though we are separated from the period she lived in by location, culture, and time, we should bear in mind that divine principles governing our practices do not change. Therefore, it is the conclusion of the authors that although their application may differ, Ellen White's writings are still relevant today.
