## Spirit And Form:

**Spirit and Form** Bô Yin Râ,2000 The present book deals with a topic nowhere else discussed in the extensive literature on attributes of spiritual life i e the intricate relationship between the Spirit s all pervading all sustaining radiant substance and the tangible and concrete forms in which this substance manifests its presence in material life The author shows that in the Spirit s highest realms form and content are an integral identity that nothing spiritual is ever found devoid of form and that all elements of form even in this physical domain are ultimately based upon and thus reflect the Spirit s infinite creative powers It is for that reason that human souls who would discover and experience the reality of spiritual life need to develop an awareness of the close connection between external form and inner content in their earthly lives Imposing form on all one s physical existence one s work and play one s public and domestic life one s impulses and feelings including joy and grief is thus of critical importance if one would be prepared to find the Spirit s realm within To form oneself is finally the highest task in life for only what has reached its perfect form can hope to enter in the Spirit s absolute perfection The Kober Press s translations of the books of Bo Yin Ra are the only English translations authorized by the Kober Verlag Switzerland The Kober Verlag publishes the books of Bo Yin Ra in the original German and has protected their integrity since Bo Yin Ra s lifetime Contents The Question Outer World and Inner Life At Home and at Work Forming One s Joy Forming One s Grief The Art of Living **SPIRIT AND FORM.** Robert Bell,1981 **Forms of the Spirit** ,1972\* *Annals of the Grand Lodge of Iowa* Freemasons.
