## **Spirit Of Cricket:**

*The Spirit of the Game* Mihir Bose, 2012-01-19 The spirit of the game was first nurtured on the playing fields of the English public school and in the pages of Tom Brown's Schooldays this Corinthian spirit was then exported around the world. The competitive spirit, the importance of fairness, the nobility of the gifted amateur seemed to sum up everything that was good about Britishness and the games they played. Today sport is dominated by corruption, money, celebrity, and players who are willing to dive in the box if it wins them a penalty. Yet we still believe and talk about the game as if it had a higher moral purpose. Since the age of Thomas Arnold, sport has been used to glorify dictatorships and was at the heart of cold war diplomacy. Prime Ministers, princes, and presidents will do whatever they can to ensure that their country holds a major sporting tournament. Nelson Mandela saw the victory of the Rugby World Cup as essential to his hopes for the Rainbow Nation. Mihir Bose has lived his life around sport and in this book he tells the story of how sport has lost its original spirit and how it has emerged in the 20th century to become the most powerful political tool in the world. With examples and stories from around the world, including how the sport-hating Thomas Arnold became an icon, how a German manufacturer gave Jessie Owens a pair of shoes at the Berlin games of 1936 and went on to dominate the world of sport, how India stole cricket from the ICC, how an Essex car dealer became the most powerful man in Formula 1, and who really sold football out. Praise for Mihir Bose: Mihir Bose is India's CLR. James Simon Barnes, *The Times*. Mihir's insider knowledge is unsurpassed. David Welch, *His Olympic contacts are second to none. He knows everybody.* Sue Mott

**THE LAWS OF CRICKET - SIMPLIFIED -2017 Code (3rd Edn 2022)** M. R. Singh, 2022-04-01 Now incorporates the amendment made by the MCC on 19/01/2023. Some content is revised as of 24/05/2023, basically highlighting some aspects. IMPORTANT: Added a table on page A70. ABOUT THE BOOK: After the encouraging success of the first book based on the 2017 Code 2nd edn 2019, the author presents this book which incorporates the changes made by the MCC in the 3rd edn 2022. For ease of understanding, these changes are marked in red throughout the book, accompanied by suitable notes and explanations. The original Laws of Cricket are generally seen as presenting quite a challenge for any reader, what with the legalese and the long complex sentences and the use of several cross references. *The Laws of Cricket Simplified* is written for the aspiring young umpire, the schoolgirl/boy, the casual cricketer, the club cricketer, the cricket commentator, even the armchair expert whose interest in the game might arouse within him/her a desire to pick up a copy of the official Laws of Cricket and who might be somewhat flummoxed by the intricacies of the Laws. This is an effort to help the lay reader understand the Law by simplifying the language used and breaking up long sentences. The book is embellished with illustrations, charts, tables in order to break up the more complex Laws for easier understanding. The simplification of the Laws is somewhat limited by my desire to keep its basic structure the same to enable easier look-up in the original Laws in case it is desired. It is hoped that the serious learner might also find this book useful, especially the accompanying charts/tables.

*The Laws of Cricket - Simplified --2017 Code (2nd Edn 2019)* M. R.

Singh,2021-01-01 This version of the Laws of Cricket Simplified is based on the 2nd edn 2019 of the 2017 Code of the MCC Laws of Cricket A new version written by this author based on the 3rd edn 2022 is also available on Google Playbook Though the MCC has issued a 3rd edn 2022 which is to come into effect worldwide on 1st Oct 2022 the BCCI the controlling body for Cricket in India has decided to continue using the 2017 Code 2nd edn 2019 during the cricket season 2022 23 You will find this book useful if your home Board has not yet migrated to the new version 3rd edn 2022 of the MCC Laws I am making available this version as an eBook since umpires the club cricketer the budding umpire shy away from the study of the Laws of Cricket should he happen to pick up a Law book I shudder to think how those whose first or second language is not English cope with this With a view to making the Laws of Cricket easily understandable for just these persons who are at the grassroots of the game I set about writing this book This book is based on the 2017 Code 2nd edition 2019 of the Laws of Cricket To help in understanding some of the more complex of the Laws which at places have a statement of law exceptions to it and exceptions to exceptions and with cross references to cross references I have included a few charts tables to help break down some of the more complex Laws into smaller and more easily digestible morsels Since I have always found it useful to do so I have highlighted by underlining and making bold certain key phrases and keywords in the Laws which help the learner to understand it better Also certain alerts are provided in the margins to draw the attention of the reader to critical rules My efforts are to make the Laws of Cricket more user friendly This book does not seek to replace the official Laws of Cricket the copyright for which is owned by the governing body for the Laws of Cricket the Marylebone Cricket Club but to help spread it wider and to penetrate to the grassroots For any dispute or further study a reference should be made to the original Laws of Cricket Though this has made the rephrasing or paraphrasing of the Laws infinitely more difficult I have retained the original numbering of clauses sub clauses so that the reader can go to the relevant clause in the original Laws of Cricket as and when needed I recommend that the student reader have a copy of the Blue book ready when reading my book I hope the students of the game will find this book useful as also will anyone preparing for an umpiring test at any level It will be my pleasure to answer any query on the Laws of Cricket sent to [mrsCricketLawsQuery@gmail.com](mailto:mrsCricketLawsQuery@gmail.com) M R Singh
