Spirit Of The Machine:

Spirit Machines Robert Crawford,2011-03-31 SPIRIT MACHINES Robert Crawford s fourth collection attends imaginatively to the fusion of spiritual experience and the insistently material world In several of the poems emotional and religious insights merge lyrically with modern technologies of information The title sequence deals with bereavement and memorializes the poet s father who died in1997 while the serio comical catechism of A Life Exam arises from the experience of hospitalisation The imaginative 360 line tour de force Impossibility presents a swirling underwater world imaging the heroic struggle of the nineteenth century writer and mother Margaret Oliphant While some of the poems communicate a sense of hurt and loss others are insuperably comic giving the collection an ambitious range and vitality Throughout the book Robert Crawford s alert sense of Scotland provides a source and sounding board for poems lyrics ballads verse narratives and prose poems that are finely nuanced moving and excitingly resourceful *Machines Are Frozen Spirit* Mikael

Puppet and Spirit: Ritual, Religion, and Performing Objects Claudia Orenstein,Tim Cusack,2024-10-17 This anthology of essays a companion to Puppet and Spirit Ritual Religion and Performing Objects Volume I aims to explore the many types of relationships that exist between puppets broadly speaking and the immaterial world The allure of the puppet goes beyond its material presence as historically and throughout the globe many uses of puppets and related objects have expressed and capitalized on their posited connections to other realms or ability to serve as vessels or conduits for immaterial presence The flip side of the puppet s troubling uncanniness is precisely the possibilities it represents for connecting to discarnate realities Where do we see such connections in contemporary artistic work in various mediums How do puppets open avenues for discussion in a world that seems to be increasingly polarized around religious values How do we describe analyze and theorize the present moment What new questions do puppets address for our times and how does the puppet s continued entanglement with these concerns trouble or comfort us The essays in this book from scholars and practitioners provide a range of useful models and critical vocabularies for addressing this aspect of puppet performance further expanding the growing understanding and appreciation of puppetry generally This book along with its companion volume offers for the first time robust coverage of this subject from a diversity of voices examples and perspectives **Kaleidoscope** Brian Selznick,2021-09-21 An astounding new feat of storytelling from Brian Selznick the award winning creator of *The Invention of Hugo Cabret* and *Wonderstruck* A ship A garden A library A key In *Kaleidoscope* the incomparable Brian Selznick presents the story of two people bound to each other through time and space memory and dreams At the center of their relationship is
