Spiritual Maturity:

Spiritual Maturity J. Oswald Sanders, 2007-07-01 Spiritual maturity is not a level of growth Christians achieve but the passion to press on in Christ In these concise chapters J Oswald Sanders explores the primary source of continual growth As we embrace God's providence hardship and more we can move from infancy toward the fruitful maturity we were created to enjoy Now this new edition of *Spiritual Maturity* includes a For Reflections section making it an ideal resource for both individual and group study

Teaching for Spiritual Growth Perry G. Downs, 1994 Teaching for Spiritual Growth is a textbook that explains what it means to be spiritually mature and how churches can help people achieve spiritual growth

Understanding Spiritual Maturity C. V. White, 2015-07-13 Do you know your age in Christ All parents want their children to grow up to be responsible and functioning adults God is the same way about His children He expects certain things from babies young children young men young adults and fathers How far have you come since you were saved You owe it to yourself to find out your level of maturity in Christ This book will help you

The Mature Church Emmanuel D. Mbennah, 2013-08-09 In this book Emmanuel Mbennah argues that Christian spiritual maturity is the bridge between the new identity of the Christian articulated in Ephesians 1:3 and the moral code of the Christian life commensurate with the new identity presented in Ephesians 4:17-6:20 From an interpretation of Ephesians 4:13 Mbennah brings to the fore what Christian spiritual maturity is and why it is imperative He argues that Ephesians 4:1-16 is about spiritual maturity and not about Christian unity except unity as a by product of maturity A case study in which the meaning of spiritual maturity is used as a critical standard to evaluate the spiritual maturity of a church in a particular context further clarifies the meaning of spiritual maturity and demonstrates what a sad state of immaturity a church could be in Mbennah calls for the Church's return to the pursuit of maturity and a return to the subject in New Testament scholarship

Biblical Discipleship: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There's only one way and it's called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don't read their Bibles regularly Unlike Christ's disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their

ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it s in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you

8 Steps To Spiritual Maturity , *Called to Spiritual Maturity* Eva Gibson,1993

[Excellence of Soul](#) J. Wayne Rodrigue,2015-05-27 How many times have you made a decision or told someone something only to regret doing it as the words were coming out of your mouth The apostle Paul was no different from us in this regard He stated in scriptures that what he wanted to do he did not do and what he did not want to do he found himself doing in spite of himself The apostle Paul discovered ways to address this seemingly insurmountable obstacle to his growth as a Christian and so will you in this book In *Excellence of Soul* I will share from the Bible what it says about the soul and how you can learn to control your emotions in every situation of life This book is full of biblical truths and experiences from over twenty five years of seeking answers to one of the most important areas of the Christian walk Please join me in finding growth and healing

Spiritual Maturity Aluizio Silva,2013-05-10 Did you know that God created Adam and Eve and gave them a very specific command He told them to be fruitful and multiply and subdue the earth God s original plan for man was for him to rule over the Earth God s plan for believers is also that they learn how to rule over their own lives and life s circumstances This implies understanding how God made us spirit soul and body The teachings of the N T are directed at teaching the Christian how to be transformed and rule over his own life This is done by knowing how to treat each aspect of the 3 parts of man Through Scripture we learn how to activate our re created human spirit how to be transformed in soul and disciplined in body how to walk by faith and use spiritual gifts Herein lies the secret to spiritual growth and maturity that results in a walk by faith and an adequate preparation for the return of Jesus This course will teach you How to fully understand the plan of salvation The plan of salvation is not part of God s original purpose The plan of salvation is

merely a course correction because of the fall of man God's original plan was for man to rule over the earth but because he got distracted and fell into sin he became disqualified to fulfill God's original plan Therefore God elaborated the plan of salvation to restore what man lost in the garden so that he could continue with his original purposes and hasten the return of Jesus

How to walk in the spirit You will learn that at the fall man died spiritually and thus was no longer able to walk in the spirit There is only one way to be used of God and that is to walk in the spirit Unfortunately most Christians can hardly recognize how a walk in the spirit differs from the natural walk of the soul To walk in the spirit implies a walk by faith and not by sight by the revelation of the Spirit rather than the pondering of the mind or the feelings of the emotions The New Testament commands us to walk in the spirit to pray in the Spirit even to sing and to worship in the spirit Nothing that we do for God is acceptable to Him unless we do it by walking in the spirit Those who walk in the spirit do not depend on their intellect their circumstances or their feelings

How to be transformed The Bible commands us to be transformed by the renewing of our mind God's Word teaches us how to be transformed in our emotions our thinking and our desires A transformed life implies a transformed soul A transformed soul implies a renewed mind renewed emotions and a renewed will

How to walk by faith The Bible also teaches us how to walk by faith by teaching us that whatever is not of faith is sin In order to walk by faith it is necessary to walk in the Spirit since walking by sight is the same as walking in the flesh or according to the soul

How to recognize the gifts of the Holy Spirit In order to fulfill the purposes of God we must be able to do things that only God can do Therefore we need gifts of the Holy Spirit It is only through the gifts of the Holy Spirit that we can get the work done in order to prepare for the return of Jesus

How to practice spiritual gifts In order to practice the gifts of the Holy Spirit we must know how to identify spiritual gifts and how to apply them to our ministry God gives spiritual gifts to all His people and encourages us to seek after the best spiritual gifts as well as walk by faith

What will happen at the return of Jesus Christ The return of Jesus will occur on two distinct occasions The first will be when he comes to rapture those who have overcome The second will be when he returns in glory to set up his millennial kingdom and earthly rule during 1000 years

Aiming at Maturity Stephen W. Rankin, 2011-11-11 It seems that much of American Christianity has lost sight of the goal of growing to maturity in Christ This loss of vision has had serious consequences for the quality of our witness and ministry In Aiming at Maturity Steven W Rankin seeks to bring back into focus key qualities of spiritual maturity and summarizes important biblical passages to show the scriptural foundations that call for spiritual maturity Rankin also addresses certain tendencies in popular Christian culture to reduce doctrinal truths to sound bites with the laudable but counterproductive goal to make doctrine memorable therefore applicable Thinking more expansively about certain key doctrines related to the work of Christ and the impact of grace contributes to growth toward maturity in a way that popular descriptions of these doctrines do not Finally Rankin also challenges readers to consider the important role of emotions in developing Christlike dispositions which contribute toward producing the fruit of a mature Christian life By looking at relevant modern research Aiming at Maturity shows the inherent connection between thoughts and feelings that draw us closer to the actual biblical description of the heart

Tozer, 2006-11-30 Success and the Christian is a compilation of A W Tozer sermons on the subject matter of spiritual maturity both its cost and criteria for the believer The overall purpose of this collection is to promote the personal heart religion among God s people something Tozer consistently emphasized Knowing God deeply and intimately brings purpose and meaning to life and should be the Christian s highest goal So what holds us back from authentic spiritual success A W Tozer contends that it is the excess baggage that most Christians carry that prevents them from going further with God In this insightful and prophetic book Tozer shows how we can recognize and clear away the stumbling blocks that keep us from a dynamic relationship with our Savior
