Langer,2018-10-09 What if the world was filled with ministers people who cared about the well being and wholeness of others To minister is to attend to the needs of others and there are many great people who have committed their lives to that mission but not everyone is able to dedicate themselves to becoming a professional minister Some choose to help others as a lay minister or non professional caregiver This text serves as a guide for training and support for people who want to become lay ministers or group facilitators of any spiritual tradition **Holy Listening** Margaret Guenther,1992-01-25 Guenther uses the images of the spiritual director as host teacher and midwife to describe the ministry of spiritual direction today She pays particular attention to spiritual direction for women and addresses such down to earth questions as setting time and privacy The stories of real people bring the practice of spiritual direction alive In the pages that follow I will attempt to describe the shape that spiritual direction might take for people of our time aware that the subject is an elusive one I am speaking to the beginner those persons lay or ordained with or without formal theological training who find themselves drawn to this ministry Perhaps they feel the stirring of their own unacknowledged gifts Or perhaps they wonder about receiving direction whether it is a ministry available to ordinary people or reserved for the especially holy I hope some dark corners will be illuminated and some questions answered **Hartmann's Who's who in Occult, Psychic and Spiritual Realms...in the United States and Foreign Countries** ,1927 *Listening to God* John Ackerman,2001-06-01 Learning how to attend to what God is doing right now is the lifelong work of and play of the person of faith Helping people to attend to God is the central work of the congregation It all begins with learning to listen to God as a community and to notice what God is doing in our life together John Ackerman offers two four step models and several additional tools that help us attend to the mystery at the center of our lives and our congregations Spiritual Companionship Angela H. Spiritual Direction: A Guide for Sharing the Father's Love Fr. Boniface Hicks,Fr. Thomas Acklin,2017 The need for spiritual direction or the accompaniment of a spiritual guide is becoming more prominent in a world where so many are suffering from so many wounds With a harmonious integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction and the insight of the psychological sciences Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction Spiritual Direction A Guide for Sharing the Father's Love fortifies priests religious and lay faithful who embrace the ministry of spiritual direction and accompany the wounded assist men and women in hearing the voice of God and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him This book also shows how various aspects of the spiritual life can emerge from and be fostered by a one on one relationship with a spiritual director Together with concrete guidelines and numerous examples from personal experience this book refers extensively to Sacred Scripture as the foundation for spiritual direction Furthermore since the practice of spiritual direction goes back to the first centuries of the Church the authors turn for guidance to the Doctors of the Church the writings of the saints and the papal magisterium in developing and supporting their insights Spiritual Direction will call spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy **Boyd's Directory of the District of Columbia** ,1903 **The Reluctant Spiritual Director** Fleetwood Range,2008-10-27 Spiritual direction is a particular way of walking the path of spiritual discovery in close company with another person The Reluctant Spiritual Director speaks to both the prospective spiritual director uncertain of his or her call and the prospective directee uncertain of the benefits This book answers the most basic questions about spiritual direction What is it How does it work Who does it Would spiritual direction help me Am I being called into this ministry myself Though spiritual direction is an ancient Christian spiritual practice it has only recently been rediscovered by mainstream Christianity because of the widespread longing for something more
