Spiritual Capital: Religion, Wealth, and Social Status in Industrial Era Philadelphia Thomas F. Rzeznik, 2006 This cross denominational study explores the relationship between religion wealth and social status among the upper class in Philadelphia from the closing decades of the nineteenth century to the onset of the Great Depression It examines church responses to affluence describes the religious beliefs that guided members of the upper class and explores the influence wealthy individuals had within their local churches and broader denominations particularly through their involvement in congregational formation church governance philanthropy and architectural patronage In return for their outward commitment to religious principles wealthy individuals obtained the spiritual capital necessary to secure social status and strengthen class identity Those who used their financial influence to transform the local religious environment helped lay the foundation for the ascendancy of a national religious establishment that upheld mainline Protestantism as the religious arbiter for the nation This research advances our understanding of American social and religious history in the modern era by revealing the prevalence and potency of religious belief among members of the upper class and by giving heed to the ways in which social class affected religious institutions and their mission

Doing Virtuous Business Theodore Roosevelt Malloch, 2011-03-28

Can the concept of Spiritual Capital actually ensure a company's success Critics of capitalism view big businesses as insatiable masters of the universe with little regard for the public They label those who create wealth as greedy malicious and unscrupulous Doing Virtuous Business answers these charges head on In this insightful and original book Theodore Roosevelt Malloch presents the bold idea that the creation of wealth by virtuous means is the most important thing that can be done for society Doing Virtuous Business explains the true purpose of business and illuminates the connection between a free economy and religious liberty Drawing from the notion of social capital which has been developed by generations of scholars Malloch adds the concept of spiritual capital as a foundation for social progress and also a necessity for responsible and successful enterprise He details the virtues that sustain a business and a free market virtues that build up a network of trust which is critical to the global economy Malloch reveals that a company's soul determines its spiritual capital an equally imperative foundation to success From Wal Mart to IBM Malloch demonstrates how companies that operate on ethical models informed by spiritual traditions have outperformed their competitors This book is a welcome moral defense of free enterprise and a sensible guide for achieving the ideal of virtuous business Besides making the world a better

place Malloch argues virtuous enterprise makes companies far more successful and profitable than they otherwise would be He presents case studies of virtuous business in the Judeo Christian tradition as well as statistical analysis demonstrating how companies that operate on ethical models have outperformed their competitors over the long run The Hidden Form of Capital Peter L. Berger, Gordon Redding, 2011 The Hidden Form of Capital presents evidence from several parts of the changing world about how the realm of the spirit affects the economy Instead of adding to the theoretical speculation on the role of culture in economic progress this book provides evidence from recent analytical studies in Europe Asia Africa Russia and the United States Spiritual Capital, Natural Law and the Secular Market Place W. Duncan Reekie, 2007 God Is at Work Kenneth Eldred, 2016-08-30 God Is at Work reveals an emerging missions movement one in which Christians are meeting significant spiritual and economic needs in the developing world Drawing on his years of experience as a Silicon Valley entrepreneur Ken Eldred shares What are sources of spiritual capital that can transform nations p How you can succeed in business and build God s kingdom How to start a business with a purpose How kingdom businesses can transform people s lives There is an important role for Christian business people in effecting real change in developing countries and many are already taking up the mantle They are pursuing Kingdom business for profit business ventures designed to facilitate the transformation of people and nations Douglass North was awarded a Nobel Prize in 1993 for demonstrating that a nation s economic performance depends on its prevailing belief system or culture That s because a society s collective beliefs form the basis on which several institutions critical for economic success are built formal rules informal norms and their enforcement characteristics The implication for developing nations says North is that both institutions and belief systems must change for successful reform Based on North s work it is not by chance that democratic capitalism flourished first and foremost in countries with a strong Judeo Christian worldview Scriptural principles include the equality of each person before the law the sanctity of property rights the ethical demand to be fair and compassionate employers the injunction to work diligently and honestly the grace to undertake new endeavors and a hope for the future A business environment characterized by heartfelt biblical morality will be far more successful than one that is characterized by dishonesty disloyalty distrust and disorder On the flip side where these biblical values are not present capitalism will fail to live up to its potential Thus economic transformation requires a spiritual transformation in which minds are renewed and new values are adopted Learn why Christian business people are uniquely equipped to address poverty a disease that afflicts many millions around the world Discover the colorful two thousand year history of business as a missions vehicle Meet those engaged in exciting Kingdom business ventures today even in areas mostly closed to the gospel Get a vision for transforming people and nations through business This book is a must read for Kingdom minded business people development workers pastors missionaries students in short for anyone who wants to see God at work transforming the world **Spiritual Enterprise** Theodore R. Malloch, 2008 The CEO of The Roosevelt Group demonstrates how and why the role of faith in the

leadership and operation of a successful business is important and argues that spiritual capital marked by strong personal convictions moral scruples virtue and spiritual discipline is also a necessity for a healthy market

Practical Wisdom in Management Theodore Roosevelt Malloch, 2017-09-08 Practical Wisdom in Management is the first in depth case study book to explore how practical wisdom from spiritual and philosophical traditions inspires corporate culture and leadership The outcome of the Practical Wisdom Initiative between The Academy of Business in Society ABIS and Yale University Center for Faith and Culture it seeks to construct a bridge between the worlds of management and the spiritual and philosophical traditions Covering ten major worldwide religions Theodore Malloch provides an overview of the practical wisdom of the major faith traditions for management It includes case studies of over twenty multinational corporations focusing on their values spiritual inspiration and business strategy It features case studies on corporations including Ascension Health Michelin DANONE Group Walmart TOMS Marriott HSBC Four Seasons Guangzhou Eversunny Trading and Toyota It is essential reading for business leaders researchers and students of business ethics and spirituality courses and includes full teaching guidance

The Integrated Life Kenneth Eldred, 2016-08-30 God Is at Work reveals an emerging missions movement one in which Christians are meeting significant spiritual and economic needs in the developing world Drawing on his years of experience as a Silicon Valley entrepreneur Ken Eldred shares What are sources of spiritual capital that can transform nations p How you can succeed in business and build God s kingdom How to start a business with a purpose How kingdom businesses can transform people s lives There is an important role for Christian business people in effecting real change in developing countries and many are already taking up the mantle They are pursuing Kingdom business for profit business ventures designed to facilitate the transformation of people and nations Douglass North was awarded a Nobel Prize in 1993 for demonstrating that a nation s economic performance depends on its prevailing belief system or culture That s because a society s collective beliefs form the basis on which several institutions critical for economic success are built formal rules informal norms and their enforcement characteristics The implication for developing nations says North is that both institutions and belief systems must change for successful reform Based on North s work it is not by chance that democratic capitalism flourished first and foremost in countries with a strong Judeo Christian worldview Scriptural principles include the equality of each person before the law the sanctity of property rights the ethical demand to be fair and compassionate employers the injunction to work diligently and honestly the grace to undertake new endeavors and a hope for the future A business environment characterized by heartfelt biblical morality will be far more successful than one that is characterized by dishonesty disloyalty distrust and disorder On the flip side where these biblical values are not present capitalism will fail to live up to its potential Thus economic transformation requires a spiritual transformation in which minds are renewed and new values are adopted Learn why Christian business people are uniquely equipped to address poverty a disease that afflicts many millions around the world Discover the colorful two thousand year history of business as a missions

vehicle Meet those engaged in exciting Kingdom business ventures today even in areas mostly closed to the gospel Get a vision for transforming people and nations through business This book is a must read for Kingdom minded business people development workers pastors missionaries students in short for anyone who wants to see God at work transforming the world

Spiritual Enterprise Lawrence M. Miller, 2007-02 A well known business consultant coach speaker and author Lawrence Miller discloses the spiritual principles that have made his business such a success and which lie behind all successful modern organizations In a bold step he sets out his conviction that there is not necessarily any contradiction between pursuing material progress whether in the form of a nation s economy or personal wealth and the teachings of religion In fact he states it is the great challenge of one s personal spiritual struggle to remain centered in spiritual reality while pursuing success in business He identifies and explores new principles of management for a new age honesty and trustworthiness the spirit of service justice consultation unity moderation world citizenship universal education But he goes far beyond this showing how to put these principles to work in the real world of business what he calls practical spirituality looking at capital and finance design of work structure and organization human resource development information systems reward and recognition customers suppliers and community and leadership A must have book for anyone who wants to succeed in business in the 21st century

Spiritual Capitalism E. Michael Hendren, 2007-05-01 A stunningly contrarian entry into the business book market this powerful treatise defines a business philosophy with an extensive track record of creating corporate quantum performance It challenges the reader to embrace a radical transformation that will enrich the company its employees and its shareholders Michael Hendren s maverick and extraordinarily successful leadership style centered on a compassionate but demanding spiritual love is reflected in his Ten Commandments of Spiritual Capitalism 1 Define Business as a Spiritual Experience 2 Don t Shrink or Play Small in this World 3 Dare to Love and the Numbers Will Follow 4 Embrace Leadership as a Sacred Responsibility 5 Develop Management into an Art 6 Empower Them with Ownership 7 Transcend to the Higher Level 8 Don t Take It All So Seriously 9 Count Your Blessings 10 The Truth Will Set You Free He provides the theoretical and practical basis of this compelling approach to creating quantum performance as well as an intrinsically fulfilling professional environment Unlike other business books written by consultants academics and those without a credible track record *Spiritual Capitalism* details the transformative managerial strategies that will elevate business as usual s best practices into breakthrough quantum performance in everyday real world interactions The unique power of SPIRITUAL CAPITALISM is in providing a profound path that can take anyone to a level of extraordinary achievement that offers not only an exceptional financial return but also enhanced meaning in your life This wise business philosophy enriches the mind while it venerates the soul Mr Hendren s personal story of overcoming a background of daunting obstacles to reach the pinnacle of professional and financial achievement dramatically illustrates the force behind his liberating approach to professional and personal transcendence His impeccable track record with small medium and

large companies in both domestic and international markets empirically validates this innovative and fulfilling philosophy on business and life Spiritual Business Kate Forster,2008 In the high tech world of the millennium it is hard to imagine how spending time on a computer could dramatically improve the Spiritual bottom line of your business But in 2006 Kate Forster did just that starting a Spiritual Business blog where she recorded the results of her Spiritual quest to find the heart and soul of her busy marketing business Packed with practical and fun exercises and laid out like a business plan this book is the product of Kate s year long Spiritual MBA From finding your values to honouring your finances with altars the book presents a holistic approach to planning your business If you would like to improve the bottom line while also being more fulfilled this book is for you Spiritual Capitalism Peter Ressler,Monika Mitchell Ressler,2005
